1 Overview and Timeline for Funding Application Call

1.1 Overview

Newry, Mourne and Down District Council invite applications for financial assistance from the community and voluntary sector (i.e. not-for-profit). This document sets out guidance for applicants applying for financial assistance.

Council's purpose in providing financial assistance is to allow it to achieve its objectives in line with clearly identified local needs and within the parameters of Council's powers. Council will seek to ensure that any funding provided is:

- In line with Council's Corporate Strategy and other key strategic and policy documents.
- Consistent with Council's Financial Assistance Policy.
- In line with the specific requirements of the theme being applied for.
- Able to meet a clearly identified need.
- Used in an effective and efficient manner and to demonstrate value for money.

These Guidance Notes set out the process to be used in applying for funding and the processes Council will use in assessing eligibility, suitability, and level of funding available and how Council will review and monitor applications. Applicants should ensure that they have a sound understanding of the specific rationale for the theme to which they are applying and that their proposal responds to each of the criteria set out by Council. Council will only seek to obtain the minimum information necessary to assess an application. It is the applicants' responsibility to ensure that this information is provided in full.

1.2 Timeline for Funding Application Call

It is anticipated that there will be two funding call tranches. The first tranche will open for applications on **Monday 27 April 2026 at 12noon** and close on **Monday 22 June 2026 at 12noon**.

Note this is how the project will deliver on sustainability and not your organisations daily delivery.

7 Assessment Criteria, Project Appraisal and Scoring - Stage 2 Scoring

All applications passing Stage 1 Basic Eligibility check, will proceed to a “Full Project Appraisal and Scoring” carried out using the following criteria, process and scoring system. The assessment panel then makes a recommendation to the Council for consideration/approval.

All eligible applications will be assessed against the pre-set criteria agreed by Council. All applications will be scored out of 100 (weighted final score). An application must score a minimum of 50% under Programme and Priority criteria, Efficiency and Effectiveness criteria as well as under the Cross-cutting themes, before it can be considered for funding. Projects under 50% will not be recommended for support.

However, a score equivalent to 50% or above will not necessarily guarantee funding as applications will be scored and ranked with funding available awarded to the highest ranked projects. Thereafter a project may be reconsidered, and allocated funding should it become available within the 2026/27 financial year.

| Question (as per application) | Criterion | Maximum | Weighting | Weighted Final Score |
|---|---|----------------|------------------|-----------------------------|
| | Council & Programme or Service Area. | | | |
| Provide a description of the project and how it fits the theme applied for as per the guidance notes. | Fit with the programme or service area being applied for. | 5 | x 4 | 20 |
| Provide an outline of the aims, objectives and outcomes of the project. Complete the key activities table which are the outputs of the project. | Fit with the programme or service area being applied for. | 5 | x 4 | 20 |
| | Efficiency & Effectiveness / Need | | | |
| Cost overview. This will consider that the costs are reasonable and proportionate to the project applied for with a detailed budget breakdown including income generation and how this is being applied to the project. | Cost overview | 5 | x 3 | 15 |
| How the need for the project was established and how the project will fulfil this need. | Establishment of Need | 5 | x 3 | 15 |
| | Cross-cutting themes | | | |
| How will the project improve equality of opportunity and good relations? Please detail what actions will be undertaken which will contribute to improvement of equality of opportunity and good relations. | Equality of opportunity / Good relations | 5 | x 3 | 15 |
| How will the project be sustained beyond the period over which the funding is being sought? Please outline any likely sustainable benefits which will occur through the delivery of this project. | Sustainability | 5 | x 3 | 15 |

In addition, the following scoring system will be used by the panel to ascertain the scores for the criteria above:

| Link at project level | Link to Criterion | How evident | Score |
|---|--|-------------------------|--------------|
| The project proposal does not demonstrate that it has the capacity to deliver basic project outcomes that would be expected in order to be awarded funding. | The application does not meet the basic standard under this criterion | No evidence provided | 0 |
| The project proposal demonstrates some ability to deliver key outcomes in some areas but overall, it is below the standard expected in order to be awarded funding. | The application met some of the basic requirements of this criterion. | Not sufficient evidence | 1 |
| The project proposal demonstrates an ability to deliver project outcomes to an acceptable standard and it may be considered suitable for funding. | The application met the requirements of this criterion. | Less Evident | 2 |
| The project proposal is evident in the way it describes a range of activities that will result in good outputs and the achievement of outcomes. | The application is evident in the requirements of this criterion. | Evident | 3 |
| The project proposal is strong as the activities described will result in good outputs and the achievement of outcomes. | The application was very evident with strong fit with the requirement of this criterion. | Strongly evident | 4 |
| The project proposal fully complies with the outputs and achievement of the outcomes. | The project is excellent and fully met the requirements of this criterion. | Highly Evident | 5 |

8 Assessment Process

Once your application is submitted it will enter the Council's assessment process. The system will not allow applications to be submitted after the closing date **22 June 2026 at 12:00 noon**. There will be no right of appeal.

The application will then proceed to the assessment process. This will involve the following steps:

- An Assessment Panel consisting of Council Officers will be set-up to consider applications for each programme. Your application will be forwarded to the panel responsible for the programme for which you have applied.
- Applications will be assessed against the basic eligibility criteria for the programme concerned.
- If the application meets the basic requirements outlined in stage one, it will pass to the next stage. If not, it will be rejected as ineligible.
- Applications will be assessed against the criteria for the programme concerned. If it doesn't meet the minimum score requirements it will be rejected.
- Council will consider the scores of all applications above minimum threshold for the particular programme and will place these in ranked order.
- Depending on the amount of funding available applicants will be funded in order of their score, with higher scoring applications funded first.
- Recommendations will be made to the Economy, Regeneration and Tourism Committee who will be responsible for ratifying the overall process. Applicants will be recommended for funding based on their score and a Score and Rank system will be implemented.
- The Committee will make recommendations to full Council.
- Applicants will be informed of the outcome of Council's decision, around twelve weeks after the application deadline.

You will receive one of four outcomes from the application and assessment process:

- **Ineligible** – Your application will automatically be ineligible if:
 - It is incomplete.
 - It fails to provide the necessary detail; uploaded documents will be reviewed to ensure they are eligible.
 - It has not been signed appropriately/incomplete online declaration.
- **A Rejection** – if your application fails to meet the necessary threshold score for support under the individual programme you will be informed that your application has been rejected.

- **Score and Rank** – a score equivalent to 50% or above will not necessarily guarantee funding as applications will be scored and ranked with funding available awarded to the highest ranked projects. Thereafter a project may be reconsidered, and allocated funding should it become available within the 2026-2027 Financial Year.
- **A Letter of Offer** – if your application is successful, you will receive a Letter of Offer. This will set out the specific requirements associated with financial assistance and any special conditions. It will describe the information you will have to submit with a claim for funding. It will not constitute a formal funding agreement until these conditions have been agreed and the Letter of Offer accepted in full, in writing, by your organisation.
- **Post Letter of Offer Workshops - Revenue**
These will be offered to all successful applicants to include training on how to adhere to the letter of offer including procurement and submission of a claim including evaluation requirements.

9 Appeals

Where an application has been rejected for reasons of incomplete information, failure to sign the application/complete the declaration, or ineligibility, there will be no right of appeal. However, where an application is unsuccessful after the full assessment process, appeals can be made to Council on the following basis:

- The outcome was a decision that no reasonable person would have made on the basis of information provided to the Financial Assistance Assessment Panel.
- That Council's stated policy or procedures had not been followed and led to a materially different decision.

Should you wish to submit an appeal this must be done as follows:

- A request for debrief must be lodged, in writing, within 15 working days of the date of the rejection letter and must take place within a 21-day period of the written request. At the debrief an officer will talk you through the scores your application was awarded.
- After debriefing, if you wish to appeal the panel's decision an appeal must be lodged in writing within 10 working days of the date of the debrief session.
- The appeal should be submitted to the Grants and Funding Unit and proof of receipt obtained.

- The appeal request must state:
 - The application details including programme applied for, title of project and contact details for the applicant.
 - The grounds on which an appeal is being made.
 - Any evidence the applicant believes the review process should consider which supports the view that one of the two bases for an appeal is justified.

The appeal will be reviewed by a panel independent from the original scoring panel who will decide on the appeal. This could result in several possible outcomes including:

- Rescoring of the application.
- If the appeal is upheld an appropriate Letter of Offer will be issued as for a successful application.
- If the appeal is not successful, the applicant will be informed and the reasons for the rejection provided in writing.
