

Council and Committee Meetings

The Council uses a Committee structure as its decision-making process, where various Committees have responsibility for considering different areas of work and particular issues.

Committees themselves do not make decisions. They recommend a course of action to full meetings of the Council which generally take place once a month. The Council can then decide to adopt the recommendations from Committee or change them.

The Council has four Committees of this type and they usually meet every month. These four Committees are:-

- Enterprise, Regeneration and Tourism (15 Councillors)
- Active and Healthy Communities (15 Councillors)
- Regulatory and Technical Services (15 Councillors)
- Strategy, Policy and Resources (15 Councillors)

The Council also has a Planning Committee. The Planning Committee Meeting is held every 4 weeks and it has full decision making powers. There are (12 Councillors) on the Planning Committee.

The Council's Audit Committee consists of (10 Councillors) and is Chaired by an independent person (not a Councillor). It meets at least three times each year.

All meetings of the Council and its Committees are open to the public, except when confidential or exempt information is being discussed.

You can download a timetable of meetings and get details of Councillors on each Committee from this section of our website.

Enterprise, Regeneration and Tourism

The Enterprise, Regeneration and Tourism Committee is responsible for issues concerning enterprise, employment, regeneration, tourism, culture, arts and events.

The Enterprise, Regeneration and Tourism Committee meets every month, except during July, and is open to the public and press except when confidential or exempt matters are being discussed.

You can view and download agenda, reports and minutes of the Committee from the Council Meetings section of our website.

Active and Healthy Communities

The Active and Healthy Communities Committee is responsible for issues concerning leisure, sports development, health and well-being, community engagement, environmental education and bio-diversity.
