**APOLOGIES AND CHAIRPERSON'S REMARKS**

Apologies were received from Councillors Bailie, Brown, Burns, Carr, Curran, Harte, Loughran and Sharvin.

The Chairperson expressed condolences to the family of Brian (Bob) Hearty from Silverbridge who had lost his life in a car accident at the weekend.

The Chairperson sent best wishes to all of the Councillors who were unable to be at the meeting due to their own personal circumstances.

The Chairperson said the month of October had been exceptional for Council, with the first of the Special Council meetings of the Health Trusts and Ambulance Service, which had been a very constructive meeting.

The Chairperson said the attendance at the Halloween events across the District had been phenomenal and paid tribute to the events team for all their hard work.

The Chairperson welcomed the opening of the Newry Leisure Centre at the weekend and said athletes who had attended the opening at the weekend had been amazed by the facilities.

Councillor Stokes said there had been issues with the booking telephone line for the Leisure Centre and asked that this be investigated.

In response to concerns from Councillors Tinnelly and Byrne regarding the written responses from the statutory agencies, Mr Hannaway advised that apart from the response from the Ambulance Service, which would be circulated once received, the written responses from the Health Trusts had been circulated to Members. He agreed that prior to the next meeting in April 2018, the workshop could take place in February 2018 and responses from the Health Trusts could then be received prior to the meeting.

**C/161/2017                    DECLARATIONS OF INTEREST**

Councillor McMurray declared an interest in Item 11 – **C/??/2017** – Notice of Motion received from Councillor Trainor.

**C/162/2017                    ACTION SHEET ARISING FROM COUNCIL MEETING HELD ON 2 OCTOBER 2017**

***RTS/105/2017 – Action Sheet of the RTS Committee 23.8.2017 – Matters Arising***  
Councillor McAteer pointed out delivery of a new bin was not being achieved within 7 days as stated on the Action Sheet and delivery took much longer. He asked for this to be investigated.

Councillor Devlin referred to the link on the website, saying the calendar stopped at September 2017 and asked this to be looked into.

Councillor Murnin said a constituent in the Drumaness area had requested a bin several weeks previously.

Mr Hannaway advised Councillor Murnin to pass on details of this request and he would ensure it was followed up.

**AGREED:**                **The Action Sheet from Council Meeting held on 2 October 2017 was agreed.**

### **COUNCIL MINUTES FOR ADOPTION AND SIGNING**

**C/163/2017                MINUTES OF COUNCIL MEETING HELD ON 2 OCTOBER 2017**

Read:                      Minutes of the Enterprise, Regeneration and Tourism Committee Meeting held on 9 October 2017 (copy circulated).

#### ***ERT/180/2017 – Brexit***

Councillor Savage said the proposal he had made had been in relation to a manufacturing task force, although this had been called an Advisory Group in the minutes. He referred to the concerns around attracting manufacturing jobs to the Newry area and asked what progress had been made in setting up the task force.

In response, Mrs Ward advised she would amend the minute to reflect Councillor Savage's reference to a task force. She said there was an economic forum that week at which Councillor Savage's concerns would be raised. She confirmed a list of significant manufacturing businesses in the area had been drawn up and she would talk to the businesses at the economic forum regarding setting up the taskforce.

***ERT/191/2017 – Camlough Lake – Land Related Matters***

In response to a query from Councillor Hanna, the Chairperson advised the item ERT/191/2017 – Camlough Lake – Land Related Matters was an item taken in closed session at ERT Committee and should be discussed in closed session at the end of the meeting.

**AGREED:** The Minutes of the Enterprise, Regeneration and Tourism Committee held on 9 October 2017 were agreed as an accurate record and adopted on the proposal of Councillor Harvey, seconded by Councillor Burgess, with the exception of minute ref: ERT/191/2017, which would be considered in closed session later in the meeting.

(Councillor Burgess having previously declared an interest in SPR/157/2017 – departed from the meeting)

**C/166/2017**                    **MINUTES OF STRATEGY, POLICY AND RESOURCES COMMITTEE MEETING HELD ON 12 OCTOBER 2017**

**AGREED:** The Minutes of Strategy, Policy and Resources Committee held on 12 October 2017 were agreed as an accurate record and adopted on the proposal of Councillor Burgess, seconded by Councillor Doran.

***SPR/173/2017 – Regulating Lease of Foreshore for Newry and Mourne***

In response to Councillor Reilly's concerns regarding the footpath being closed off due to cliff erosion and the footpath collapsing, Mr Hannaway undertook to follow up on this issue.

***Closed Session items***

Councillor McAteer referred to a report which Members not on SPR Committee had not seen as it had been circulated at the SPR Committee. Mrs Carville undertook to investigate this issue.

**C/167/2017**                    **MINUTES OF ACTIVE AND HEALTHY COMMUNITIES COMMITTEE MEETING HELD ON 24 OCTOBER 2017**

**AGREED:** The Minutes of the Active and Healthy Communities Committee held on 24 October 2017 were agreed as an accurate record and adopted on the proposal of Councillor Walker, seconded by Councillor Kimmins.

***AHC/159/2017 – Community Hub for Warrenpoint***

In response to a query from Councillor McAteer regarding the progress for the Warrenpoint Community Hub, Mr Lipsett advised that he was waiting on the police station becoming available and the proposal was to convene meetings with all interested parties to gauge interest in the hub. He said a report would be brought to AHC Committee in December.

**C/168/2017**                      **MINUTES OF REGULATORY AND TECHNICAL SERVICES COMMITTEE MEETING HELD ON 18 OCTOBER 2017**

Read:                                Minutes of the Regulatory and Technical Services Committee Meeting held on 18 October 2017 (copy circulated).

***RTS/127/2017 – Report re: Food Waste Expansion Project***

Councillor Byrne referred to the decision to provide additional compostable liners, saying this was not the best use of money in the RTS directorate.

In response to Councillor Byrne’s queries, Mr Wilkinson advised that in order to demonstrate continuing and increased uptake of the brown bins, initiatives needed to be maintained which included issuing 2 further free rolls of liners and expanding where to collect these. He added a review would be undertaken in March to ensure the increased up take of brown bins. He confirmed that newspaper, used to wrap food waste, could be placed into the brown bins.

Councillor Byrne suggested a marketing initiative to make householders aware of the fact newspaper could be used to wrap food waste and placed into the brown bins.

Councillor Craig said the compostable liners were a necessity, encouraging householders to recycle kitchen waste and to offer them for sale at the council sites would help to achieve recycling targets.

In response to Councillor Craig’s query, Mr Wilkinson confirmed that the existing recycling target was 50% by 2020 and prior to the brown bin roll out it was 40%. He said the target for the last quarter had been 40%.

***RTS/125/2017 – NI Planning Statistics 2017/18 – First Quarter Statistical Bulletin***

In response to a query from Councillor McAteer, Mr Wilkinson undertook to bring back information to the next RTS Committee meeting regarding the breakdown (ie wind/solar panels) of planning applications received and approved in the District over the past 5 years for renewable energy proposals.

In response to Councillor Murnin’s query regarding the roll out of blue bins for businesses, Mr Wilkinson undertook to investigate and provide Councillor Murnin with details.

**Agreed:**                                **The Minutes were agreed as an accurate record and adopted on the proposal of Councillor Kimmins, seconded by Councillor Trainor.**

**CONSULTATION DOCUMENTS**

C/169/2017

**IRELAND 2040 “OUR PLAN” – DRAFT NATIONAL PLANNING FRAMEWORK FOR REPUBLIC OF IRELAND – NEWRY, MOURNE AND DOWN DISTRICT COUNCIL’S CONSULTATION RESPONSE**

Read: Report from Mr L Hannaway, Chief Executive, dated 6 November 2017, regarding Ireland 2040 – Draft National Planning Framework (copy circulated).

Mr Hannaway said Council’s response to the National Planning Framework – Ireland 2040 was recommended on the basis that whatever happens in the south of Ireland would impact on the Newry area and on the east coast area. He highlighted the following points:

- The importance of the Newry Dundalk metro area and the urban conurbation growth.
- The Carlingford/Newry area in terms of the growth of the population on the island on Ireland.
- The Dublin/Belfast economic corridor was the main economic driver on the island of Ireland and it was important to ensure that any development in the Dundalk area was important in driving the economy in the Newry wide area.
- The Southern Relief Road connectivity to the South Down area.
- Warrenpoint port was a critical driver in terms of the economy.
- 50% of fish processed in Kilkeel came from fishing ports along the east coast.
- The National Planning Framework – Ireland 2040 looked at growth within the south of Ireland prioritising regional growth to the West of the island.
- The growth around the Dublin area would impact on the Dundalk, North Louth and Monaghan areas in terms of investment for jobs and people living in the border areas.

In response to concerns from Councillor Burgess, Mr Hannaway explained the response to the NPF was critically important as it impacted on population and businesses in the District and to make the response only took his own time in conjunction with the planning department and consultation with Louth County Council.

Councillor McAteer suggested taking the response to the Joint Council or forming a sub group which would react as Brexit rolled out.

Mr Hannaway advised there had been a presentation to the Joint Committee and the matter would be on the MOU agenda going forward and he believed that this was the best vehicle in the first instance.

After discussion, with Members voicing opinions for the submission of the response and Councillor Burgess expressing concerns regarding the submission of the response, the Chairman called for a vote on the recommendation.

Councillor Hyland called for a recorded vote.

Councillor Ruane proposed and Councillor Doran seconded that the response contained within the report from the Chief Executive be approved and submitted by Council.

**Voting was as follows, (copy of recorded vote attached):**

**FOR: 28**  
**AGAINST: 1**  
**ABSTENTIONS: 2**

**The motion was declared CARRIED.**

**Agreed: It was agreed to approve the Council response to Ireland 2040 – Draft National Planning Framework on the proposal of Councillor Ruane, seconded by Councillor Doran.**

### **NOTICES OF MOTION**

**(Councillor McMurray having previously declared an interest in this matter withdrew from the meeting for discussion on the motion)**

#### **C/170/2017      NOTICE OF MOTION RECEIVED FROM COUNCILLOR TRAINOR**

The following Notice of Motion came forward for consideration in the name of Councillor Trainor:

**"This Council calls on the Education Authority to keep Ardnabannon outdoor education centre open and to reverse its decision to downgrade Killyleagh and Killowen outdoor education centres, as these decisions will disadvantage young people from this district and beyond."**

In proposing the motion, Councillor Trainor stated the consultation procedure carried out was done to facilitate the steering of the outcome towards the desired result of the Education Authority and did not take cognisance of the will of the people who responded to the consultations. He called on the Council to support his motion to keep Ardnabannon Outdoor Education Centre open and to reverse the decision to downgrade Killyleagh and Killowen Outdoor Education Centres.

Councillor Murnin seconded the motion.

Members spoke unanimously in support of the motion stating the evidence and research was well documented showing the benefits of outdoor education and any closure of facilities or reduction in young people accessing the benefits would be detrimental to young people across Northern Ireland.

**ACTION: It was agreed on the proposal of Councillor Trainor, seconded by Councillor Murnin to write to the Education Authority asking them to keep Ardnabannon Outdoor Education Centre open and to reverse their decision to downgrade Killyleagh**

and Killowen Outdoor Education Centres, as these decisions would disadvantage young people from the District and beyond.

C/171/2017

**NOTICE OF MOTION RECEIVED FROM COUNCILLOR CLARKE**

The following Notice of Motion came forward for consideration in the name of Councillor Clarke:

**"In the aftermath of the intimidation of families from a shared housing development in Cantrell Close, Belfast, that this Council acknowledges the recent statement by the six main party leaders pledging their support for `citizens to live in a society without fear of intimidation, free from sectarianism and condemn all forms of sectarianism, intolerance and threats of violence.**

**That this Council also affirms the principle of the Good Friday Agreement which promised to citizens `the right to freely choose one`s place of residence` and the `right to freedom from sectarian harassment` and pledges its support for;**

- The right to employment free from sectarian discrimination, intimidation and attack.**
- The right to housing and to live in your home free from sectarian attack, intimidation or any other discrimination.**
- The right to free association, recreation and to socialise at places of choice free from sectarian attack, intimidation or other discrimination.**
- The right to practice religious faith and worship free from sectarian attack, intimidation or other discrimination.**
- The duty to report or challenge sectarian speech, attack, intimidation, or other discrimination when witnessed or heard"**

In proposing the motion, Councillor Clarke stated that sectarianism existed within the Council area and all Members needed to endeavour to eradicate this from the community. He stated he wished to avoid a sectarian debate and believed that public representatives and political leaders must set an example and desist from language or actions which offended the identity of anyone in society.

Councillor Doran seconded the motion.

Councillor Hanna stated his Party could only support the motion up to the word 'violence' as after that he felt there was no reason for Council to have to reaffirm the principle of the Good Friday Agreement. He asked what legal implications there would be should Council adopt this motion.

The Chief Executive advised he would seek legal advice if the motion was adopted.

Councillors Reilly and Taylor stated they would have difficulty supporting the motion due to its wording and that although the intent behind the motion showed great aspiration; it was not likely to be practical.

Councillors Enright, Savage and McMurray spoke in support of the motion stating it was incumbent upon all political leaders and citizens in general to display tolerance towards everyone in society.

In summing up, Councillor Clarke stated the motion was very straightforward and that all people should be against sectarian attacks, discrimination and intimidation. He stated hurt had been caused on all sides and society in general needed to heal.

Councillor Clarke called for a recorded vote.

**Voting was as follows, (copy of recorded vote attached):**

**FOR: 22**  
**AGAINST: 1**  
**ABSTENTIONS: 6**

**The motion was declared CARRIED.**

The Chief Executive advised he would proceed to seek legal advice on the motion, as adopted by Council.

**AGREED:** It was agreed on the proposal of Councillor Clarke, seconded by Councillor Doran that the Council:

- **acknowledges the recent statement by the six main party leaders pledging their support for `citizens to live in a society without fear of intimidation, free from sectarianism and condemn all forms of sectarianism, intolerance and threats of violence;**
- **affirms the principle of the Good Friday Agreement which promised to citizens `the right to freely choose one`s place of residence` and the `right to freedom from sectarian harassment` and pledges its support for;**
  - **The right to employment free from sectarian discrimination, intimidation and attack.**
  - **The right to housing and to live in your home free from sectarian attack, intimidation or any other discrimination.**
  - **The right to free association, recreation and to socialise at places of choice free from sectarian attack, intimidation or other discrimination.**
  - **The right to practice religious faith and worship free from sectarian attack, intimidation or other discrimination.**
  - **The duty to report or challenge sectarian speech, attack, intimidation, or other discrimination when witnessed or heard”**

**NOTICE OF MOTION RECEIVED FROM COUNCILLORS  
MURNIN, QUINN AND BROWN**

The following Notice of Motion came forward for consideration in the name of Councillors Murnin, Quinn and Brown:

**"This Council recognises the invaluable contribution of community transport, community groups, voluntary sector organisations and charities that operate transport under section 10b permits to the citizens of Newry Mourne and Down Council.**

**Consultations issued by the Department for Infrastructure (DFI), regarding changes to Driver Licensing requirements and the use of section 10b permits puts transport in Newry Mourne & Down under threat. These proposed changes are being undertaken without an impact assessment of the effects of the proposed change and without contingency plans or resources being put in place to ensure transport for older people, disabled and the most vulnerable in society continues after 1st January 2018.**

**This Council calls upon the Department for Infrastructure to suspend this consultation process until such times that the Department can demonstrate that proper provision has been put in place to ensure citizens of Newry Mourne and Down Council continue to receive transport provision that best meets their needs."**

In proposing the motion, Councillor Murnin stated the Community Plan, Living Well Together, advocated rural community transport with each local DEA action plan highlighting the need to build on public, private and community transport to address inequalities. He stated that the section 10b permit provided exemption to hold an operator licence where the scheme was not for hire or reward for education, social welfare and voluntary organisations. Councillor Murnin provided statistics of how successful the Newry and Mourne and Down Community Transport schemes were and stated without more time and resources to implement the changes, the schemes would not be able to run as successfully as they were at present.

Councillor Quinn seconded the motion stating the reason for the changes to the law were on safety grounds however there was no demonstration of bad safety examples.

Members spoke unanimously in favour of the motion stating the rural transport scheme was a crucial service and anything which may affect the scheme should be halted.

In summing up, Councillor Murnin thanked the Members for their unanimous support and stated there was a lack of knowledge within community and church groups about the implications of these changes. He stated Council should also write to Mr Peter May, DFI, to voice Council's concerns regarding this consultation.

**AGREED: It was unanimously agreed on the proposal of Councillor Murnin, seconded by Councillor Quinn that Council respond to the Department for Infrastructure's consultation asking that the process be suspended until such times that the**

**Department can demonstrate proper provision had been put in place to ensure citizens of Newry, Mourne and Down Council continue to receive transport provision that best meets their needs.**

**It was also agreed to write to Mr Peter May, Permanent Secretary, DFI, to voice Council's concerns regarding this consultation.**

**C/173/2017**

**NOTICE OF MOTION RECEIVED FROM COUNCILLOR DEVLIN**

The following Notice of Motion came forward for consideration in the name of Councillor Devlin:

**"This Council notes the well documented and evidenced hardship caused in England, Scotland and Wales by the roll out of Universal Credit; this Council calls for an immediate halt to the rollout of Universal Credit across the North to protect the most vulnerable and the disadvantaged from poverty, rent arrears and homelessness; and commits to writing to party leaders calling on them to work together to deliver a system that is fair, practical and compassionate."**

In proposing the motion, Councillor Devlin stated the Universal Credit process was challenging to those people who had no access to broadband or IT skills. She stated she wanted to see a situation where people were better off in work; however plunging people into debt did not incentivise people to work. Foodbanks and homelessness were very prevalent in areas where there used to be none, and the introduction of Universal Credit would only add to this.

Councillor Andrews seconded the motion.

Councillor Craig stated that although he agreed with the spirit of the motion, scrapping the scheme was not the best way forward however the process did need to be adjusted.

Councillor Taylor stated his Party could not support the motion as written. He said although there were major flaws associated with the roll-out of the scheme, it was necessary to have a fairer system to offer those in most need their benefits, but also to help people get back into employment.

Councillors Kimmins and McMurray spoke in favour of the motion stating the introduction of the scheme would lead to children losing their benefits and putting people into poverty.

In summing up, Councillor Devlin agreed people who wanted to work should be rewarded. However the drastic change being imposed through Universal Credit was not the way to achieve this. She stated that Sinn Fein had the opportunity, along with DUP to ensure Universal Credit was not introduced in Northern Ireland and they failed by handing power to the Tory Government.

The Chairperson put the motion to a vote, the results of which were as follows:

**FOR:** 22  
**AGAINST:** 0  
**ABSTENTIONS:** 4

The motion was **CARRIED**.

**AGREED:** It was agreed on the proposal of Councillor Devlin, seconded by Councillor Andrews that Council calls for an immediate halt to the rollout of Universal Credit across the North to protect the most vulnerable and the disadvantaged from poverty, rent arrears and homelessness; and commits to writing to party leaders calling on them to work together to deliver a system that is fair, practical and compassionate, and to write to the party leaders calling on them to work together to deliver a system that is fair, practical and compassionate.

**C/174/2017 MINUTES OF ENTERPRISE, REGENERATION AND TOURISM COMMITTEE MEETING HELD ON 9 OCTOBER 2017**

**Agreed:** On the proposal of Councillor Hanna, seconded by Councillor McAteer, it was agreed to exclude the public and press from the meeting during discussion on this matter which related to exempt information by virtue of Part 3 of Schedule 6 of the Local Government Act (Northern Ireland) 2014 – Information relating to the financial or business affairs of a particular person (including the Council holding that information) and the public may, by resolution, be excluded during this item of business.

**Read:** Minutes of the Enterprise, Regeneration and Tourism Committee Meeting held on 9 October 2017 - ERT/191/2017 – Camlough Lake – Land Related Matters (copy circulated)

**Agreed:** On the proposal of Councillor Ruane, seconded by Councillor Hearty, it was agreed the Committee come out of closed session.

**Agreed:** When the Committee came out of closed session, the Chairperson advised that it had been agreed on the proposal of Councillor Ruane, seconded by Councillor Doran, to approve the minute and agree the recommendation contained within the report as follows:

- To enter into negotiations with Richardson Estate to settle any outstanding mortgage they hold pertaining to Camlough Lake.

- **To complete detail design and submit planning associated with multi-purpose building.**

There being no further business, the meeting concluded at 8.37pm.
