Road Safety

The PCSP had a very busy September. Not content with just getting everyone back to school, the PCSP worked to ensure everyone does so safely. Ballynahinch Rugby Club played host to an event for Rugby and GAA clubs with over 100 in attendance on 20 September. "Hit the Pitch, not the Ditch" event was attended by NIFRS, PSNI and the Newry, Mourne & Down Road Safety Committee and feedback was very positive. St Pauls High School in Slieve Gullion also played host to several schools for a Cool FM Road Safety Road Show and the same show returns to Newry for schools on 23rd November.

Farm Watch Rural Crime Event at Camlough

The PCSP in partnership with the PSNI ran a Safer Farms Event at S.A.F.E. in Camlough on 30th September. There was information and advice on hand on safer farms, quad bikes, Road Safety, home security, help for farmers and the rural community as well as our Farmwatch and Neighbourhood Watch schemes

Tackling Hate Crime

PCSP participated in the highly publicised Pride event in Newry City on 2nd September promoting awareness amongst the LGBT community of hate crime reporting. Ensuring hate crime does not take hold in our District on the same day we were welcoming new Syrian refugee families to the District, showcasing the delights of Newcastle Community Cinema and the beautiful landscapes on offer and providing opportunity for engagement with local PSNI and other key services any new members of our community will need.

Phoning to Report a Crime or Incident?

Five steps to remember...

- 1 Make a note of the date and time of your call.
- 2 Ask for a crime reference number.
- 3 Ask for the name and/or number of the person who takes your report.
- 4 Ask to be given feedback about police progress in dealing with the crime or incident that you've reported.
- 5 If you are not satisfied with the service you receive, ask to speak to the duty officer.

The Neighbourhood Watch network continues to grow. There have been a number of new schemes signed up within the new Newry, Mourne and Down District this year. We will be having a campaign to boost the number of Neighbourhood Watch Schemes across the district over the Autumn and Winter period. We continue to have our NHW meetings across the district to inform and educate about the work within the PSNI and PCSP to help co-ordinators and communities.

What are PCSP's?

The PCSP exist to make our community safer. We are a statutory body, funded jointly by the Department of Justice and the Northern Ireland Policing Board and have specific police monitoring and engagement functions, as well a community safety remit.
