Stakeholder Forum Pen Picture

			<p>range of services, supports and activities within a health and wellbeing and community development context to beneficiaries of Newry Mourne and Down Council area from birth to older age. I represent the community & voluntary sector on the N&M ICP, (End of Life and Older People) I chair the Kilkeel Sure start project whilst Space provides lead Body status to the same. As an active community representative I contribute to influencing investment in emerging needs for children and young people's as well as Older Peoples services through the Southern Outcomes Children and Young people board, the Family support hub steering group as well as WAP, & the ICP community and voluntary regional forum and the Children and Young Peoples strategic Alliance Newry & Mourne – stakeholders group. I also participate in the NM&D strategic alliance for older people. Space is currently leading on the MARA project across South Down South Armagh and Craigavon Lough shore area directly servicing over 3500 households to maximise services grants and benefits to rural dwellers. Space coordinates the N&M Family support hub , a network of over 25 agencies providing service, advice and support to families in need in the N&M area (approx 25 referrals a month) with over 232 families supported in 2015.</p> <p>Space leads the Family support Big Lottery funded project to create awareness, support and opportunity for those families and children most in need throughout the South Down South Armagh Newry City and Newcastle areas.(1500 families over the timeline)</p> <p>Space is a partner organisation with NIACRO in delivering the Early Transformation project EITP, a community partner with Save the Children in delivering school based parenting programmes and grant aid applications for families in need within the Southern trust area</p> <p>Space provides group and individual support to older people through our Warrenpoint based groups and the Mourne home2 hospital service in partnership with Rural Community Transport. (115 hospital appointments serviced in 2015 and 440 volunteer hrs provided.</p> <p>I would very much like to contribute to the NM&D Wellbeing thematic group, and the policing and Community Safety thematic group as our work is closely aligned and immersed in these two key areas of work.</p>
