The type of personal information we collect

We currently collect and process the following information:

- Name, date of birth, address, postcode, medical information/needs relevant to participation in the activities for each individual attending.
- Parent/guardian information – contact details, name and telephone number, email address.
- Payment details (card holder's name, card number, expiry date, 3 digit code)

How we get your personal information and why we collect it

Most of the personal information we process is provided to us directly by you (for example, as part of your online booking or application for place on summer programme) for one of the following reasons:

- Safety and safeguarding of those participating.
- Administration and management of the summer activity programme.
- All information will be collected via the Legend booking system.
- Personal data will also be used for track and trace purposes in line with Covid-19 regulations.

We use the information that you have given us in order to report on demographics of those participating in activities and to ensure safety and safeguarding of those participating. This data will be anonymised.

We will share this information with Clanrye group coaching staff (NMDDC Summer Activity Delivery Partner) as they will be responsible for the delivery of the sessions and require knowledge of the needs of those attending. Contact details will be passed on for the sole reason that should parents/guardians need to be contacted in relation to their child.

Under the UK General Data Protection Regulation (GDPR), the lawful bases we rely on for processing this information are:

(b) We have a contractual obligation.

You are able to remove your consent at any time. You can do this by contacting laura.mcgrath@nmandd.org

How we store your personal information

Your information is securely stored on the legend system. Your information is securely stored on Council's legend computerised bookings databased who's servers are based in the UK.

We keep the personal information listed above for a period of one year. We will then dispose of this information by deletion on the legend system. Membership inactivity after one year automatically deletes all information related to each individual.
