MORE AND MORE PEOPLE in Newry, Mourne and Down are RECYCLING

Last year Newry, Mourne and Down residents increased their recycling rate to 46%. That's a fantastic 6% increase on the previous year. Recycling and reusing saves energy and raw materials, as well as avoiding waste going to landfill. Thank you for continuing to use your blue and brown bins to recycle right and recycle more.

RECYCLE using your BLUE BIN

Your blue bin is for dry recyclable material. All items in the blue bin must be clean, dry and loose. Please do not put food, liquids or plastic bags into your blue bin. **Remember no recyclable material allowed in the black bin!**

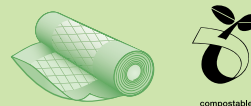

It's easy to recycle from every part of your home. Remember to put all the items shown below into your blue bin.

RECYCLE using your BROWN BIN

Your brown bin is for food and garden waste. Please do not put anything that will not rot, such as packaging, into your brown bin. Remember all food must go in the brown bin. **Strictly no food allowed in the black bin!**

Only use compostable liners in the brown bin caddy that bear the seedling logo

For More INFORMATION
