Councillor Sharvin

Councillor Tinnelly

Agenda

- 1.0 Introduction and Apologies
- 2.0 Declarations of Interest
- 3.0 Action Sheet arising from Active and Healthy Communities Committee Meeting held on 20 February 2023

 For Approval

 Action Sheet 20 February 2023 - Updated post AHC with HoS comments.pdf

Page 1

4.0 Notice of Motion - Recreational Sea Angling

For Information

Notice of Motion received from Councillor Clarke:

"This Council welcomes the increasing popularity of sea angling along the Down coast, recognises the potential for increased tourism and the benefits this will bring to the local economy. Calls for the development and introduction of a Recreational Sea Angling Strategy in consultation with local fishermen and the relevant agencies. Such a strategy should aim to;

Promote sea angling in a safe and sustainable way and

Capitalise on the opportunities for the local economy that an increase in sea angling would deliver".

Report to:	Active and Healthy Communities (AHC) Committee
Date of Meeting:	20 th March 2023
Subject:	Notice of Motion – Sea Angling
Reporting Officer (Including Job Title):	Paul Tamati, Assistant Director: Leisure and Sport
Contact Officer (Including Job Title):	Conor Haughey, Head of Outdoor Leisure

	ecision For noting only x
1.0	Purpose and Background
1.1	The purpose of this report is for AHC Committee to note the Notice of Motion received be Councillor Clarke and the recommendations of this report.
	In February 2022 Councillor Clarke tabled the following Notice of Motion at full Counc Committee which was referred to AHC Committee for consideration:
	"This Council welcomes the increasing popularity of sea angling along the Down coast, recognises the potential for increased tourism and the benefits this will bring to the local economy. Calls for the development and introduction of a Recreational Sea Angling Strategy in consultation with local fishermen and the relevant agencies. Such a strategy should aim to;
	 Promote sea angling in a safe and sustainable way and Capitalise on the opportunities for the local economy that an increase in sea angling would deliver".
2.0	Key issues
2.1	As part of AHC Committees directorate business plan, the Leisure and Sport section have commissioned a Sports Development, Health and Wellbeing strategy for the district which is currently ongoing.
	It is anticipated that the above strategy for NMDC will align to Sport NI's recently published Corporate Plan 2021-2026 'The Power of Sport'.
	In addition to the above, Council currently promotes fishing and angling provision for visito to the district on its destination website. This includes sea angling tours from Carlingfor Lough and Kilkeel. Please see link for further information: www.visitmournemountains.co.uk/things-to-do/water-activities/fishing-angling
	As further sea angling opportunities are developed via the Council's Sports Development Strategy, officers will promote new provision via Council's marketing channels.

3.0	Recommendations	
3.1	That AHC committee note that Sea Angling will be included in the consult process for Council's Sports Development, Health and Wellbeing Strategy Officers will continue to work to promote Sea Angling in collaboration with Sport's Governing Body, established providers of sea angling and via Cou financial assistance processors.	and h the
4.0	Resource implications	
4.1	Revenue: There are no anticipated financial implications associated with this report. Capital: There are no identified capital budget implications associated with this report	t.
5.0	Due regard to equality of opportunity and regard to good relations (complet the relevant sections)	te
5.1	General proposal with no clearly defined impact upon, or connection to, spe equality and good relations outcomes	ecific
	It is not anticipated the proposal will have an adverse impact upon equality of opportunity or good relations	\boxtimes
5.2	Proposal relates to the introduction of a strategy, policy initiative or practice and / or sensitive or contentious decision Yes No If yes, please complete the following: The policy (strategy, policy initiative or practice and / or decision) has been equality screened The policy (strategy, policy initiative or practice and / or decision) will be subject to equality screening prior to implementation Proposal initiating consultation	
5.5	Consultation will seek the views of those directly affected by the proposal, address barriers for particular Section 75 equality categories to participate and allow adequate time for groups to consult amongst themselves Consultation period will be 12 weeks Consultation period will be less than 12 weeks (rationale to be provided) <i>Rationale:</i>

Report to:	Active Healthy Communities
Date of Meeting:	20 th March 2023
Subject:	Financial Assistance
Reporting Officer	Janine Hillen
(Including Job Title):	Assistant Director Community Engagement
Contact Officer	Sonya Burns – Head of Programmes
(Including Job Title):	Ciara Burns – Project Coordinator

1.0	Purpose and Background
1.1	Call 1 for financial assistance 2023-2024 opened November 2022 and included the following themes:
	 Community Capital for Community Facilities (closing on 14th February, report not included)
	Attached is the reports which provides a breakdown of the number of applications, pass and fail at each stage of the process, geographical spread of the applications received and a breakdown of the final budget allocations to successful applicants.
	Several key issues were highlighted throughout the assessment process, and these are outlined in Section2.
	Also, for noting Call 3 will open in May / June time, at this stage we will include:
	 Sports Capital – Multi Sports, ongoing work to develop the process in line with funding requirements is ongoing. Any other underspend from Call 1 or Call 2 themes (if applicable) Any other relevant theme which has approval and budget
2.0	Key issues
2.1	Pre-Letter of offer conditions Some projects will be required to submit documentation and pre letter of offer requirements, if the panel are content with the conditions, then a Letter of offer will be issued. If a project cannot fulfil the pre-LoO condition a letter of offer will not be issued and the next group or the scored and ranked list will be contacted (if applicable) or re-allocated.
	Audit requirements Internal audit requirements as per Financial Assistance procedures are still ongoing at the time of writing this report and any amendments or updates on the attached outcomes will be brought back to Committee for ratification.
	Recommendations per theme Please find attached details in the appendices of breakdown per theme.

Appendix 1

The following information is provided to update the Committee on recent DEA activity and on activity planned to be undertaken by the DEAs.

All People in Newry, Mourne and Down Enjoy Good Health and Wellbeing:

Level of Health Status:

Crotlieve DEA held a very successful Afternoon Tea Dance Event in Ballyholland Community Centre on Tuesday 28th February 2023, welcoming visitors from all over Crotlieve. Attendees enjoyed an afternoon of music, dance and lunch and received information on Keeping Warm and Well and Home Safety and Security.

Slieve Gullion DEA are delivering a six-week programme of taster sessions to a new women's group in the Whitecross area, whilst also providing support to enable the group to become constituted.

Downpatrick, Rowallane and Slieve Croob DEAs have collaborated with the South Eastern Trust's Carers Department to implement a 4 week cultural cookery programme with adult carers. This programme will provide much needed downtime for the carers and a chance to connect with people in similar situations and improve emotional health and well-being. Furthermore, they will learn new culinary skills as they will get the opportunity to prepare, cook and taste foods from around the world that they would not usually try before.

The Mournes DEA will be delivering several health/wellbeing and fitness taster sessions in the Kilkeel, Annalong, and Kilkoo areas.

All People in Newry, Mourne and Down Live in Respectful, Safe and Vibrant Communities

Level of Civic Participation and Good Relations:

On Friday 17th February 2023, the Rowallane DEA Coordinator attended, as an observer, the Saintfield Community Association consultation event held in Saintfield Community Centre. The event was organised to give residents an opportunity to view and comment on the proposals for development on the Windmill Field and derelict buildings with funding provided by the National Lottery Heritage Fund. The event was attended by 21 residents, 1 MLA and a local Councillor who were able to give feedback both positive and negative and have any issues or concerns addressed by members of the Community Association.

Newry and Slieve Gullion DEAs continue to deliver the Shared Schools Programmes across 4 schools within the area. The final session will take place in Newtownhamilton High School in March 2023. A Shared Schools educational history trip to Dublin is also being supported by both DEAs.

The Mournes DEA is linking with local agencies to signpost and highlight their supports available to "accommodated" asylum seekers in the area.

Crotlieve DEA is supporting multi-cultural music and dance events in Hilltown and Mayobridge as part of the community's St Patrick's Day Celebrations.

All People in Newry, Mourne and Down get a Good Start in Life and Fulfil their Lifelong Potential

Level of Early Years support, Educational Wellbeing and Connectivity

In partnership with Ballynahinch Jobs and Benefits Office, Make the Call, Workable NI and Newry Mourne and Down Labour Market Partnership, Rowallane DEA held a very successful Employability and Benefits Advice event on Thursday 23rd February 2023 in the Market House, Ballynahinch, from 10.00am-12.00 noon. The event attracted over 43 individuals seeking help on a variety of matters relating to benefits and information on the South Eastern Regional College (SERC) academies, access to work initiatives etc. Work coaches were also available on the day to give advice on entitlement to benefits and starting and staying in work.

21

Crotlieve DEA is supporting an International Women's Day event in St Mark's High School Warrenpoint in partnership with the EA.

Level of Personal Safety and Crime:

Slieve Croob DEA in partnership with the PCSP are rolling out an engagement evening with young people in Loughinisland to build relations and to provide diversionary activities. The event will include the gaming vehicle as a tool to engage with young people and build relationships. Furthermore, the evening will be an opportunity to connect with young people and ascertain programmes they would be interested in having rolled out in their local area to get young people off the streets and engage in meaningful activities.

DEA/SC/11/2023	Date and time of next meeting	Next meeting is scheduled to take place on 27 th June 2023 at 4pm.	DEA Coordinator.

The meeting ended at: 4.47pm

Newry, Mourne and Down District Council

Action Sheet of Downpatrick District Electoral Area (DEA) Forum Ad Hoc Meeting held on Tuesday 6th March 2023 at 10.00 am in the Downshire Civic Centre, Downpatrick

Chairperson:	Councillor Gareth Sharvin
In Attendance:	Councillor Dermot Curran Councillor Cadogan Enright Councillor Oonagh Hanlon
Independent Members:	Jim Masson, Down Business Connect Dan McEvoy, Downpatrick Community Collective Daniella McCarry, County Down Rural Community Network
Statutory Partners:	Trevor Maxwell, Department for Infrastructure Ryan Gough, Department for Infrastructure Darren Hardy, Downpatrick PSNI Suzanne Cochrane, Downpatrick PSNI
Council Officials:	Katrina Hynds, Downpatrick DEA Co-Ordinator
Others in Attendance:	Simone Prenter, Our Lady & St Patrick's Primary School Colin Boyd, Our Lady & St Patrick's Primary School Board of Governors
Apologies:	Councillor John Trainor Damien Brannigan, Head of Engagement Lisa Perry, Downpatrick Neighbourhood Renewal Partnership Jenny Laverty, Housing Community Network Maurice Denvir, East Lecale Communities Aisling Rennick, Engagement & Development Manager

ITEM	SUBJECT	DECISION	FOR COMPLETION – including actions taken/date completed or progress to date if not yet completed.
DEA/DPK/23/01	Apologies	As recorded above.	Noted.
DEA/DPK/23/02	Declaration of Interest	Councillor Hanlon declared that she was a member of Our Lady & St Patrick's PS Board of Governors.	Noted.
DEA/DPK/23/03		The Chair welcomed members to the meeting. Mrs Prenter advised that she had requested the meeting to highlight the dangers of the continued traffic issues around the school. These include traffic congestion, increase in large HGVs, etc using Edward Street, vehicles mounting the kerb when pupils are using the footpath. The school has tried to alleviate some of these issues by placing traffic cones at the gates and temporary footpath barriers. However, these have been unsuccessful as they are constantly knocked down.	

	A discussion further ensued with members requesting that DfI look at what safety measures can be put in place and consideration be given to a one-way system.	
	DfI Roads highlighted that the signage had previously been reviewed following the removal of A&E at the Hospital, however, it will be checked again to ensure it is appropriate. A further advisory sign for HGV's is to be erected at the junction of Edward Street/Fountain Street. DfI have also put the markings at Edward Street on a programme to be refreshed.	Department for Infrastructure to erect new signage and refresh road markings.
	Dfl have agreed to appoint an independent Consultant to complete a feasibility study to advise on the best route forward. This will include what the impact will be on surrounding streets ie John Street, St Dillon's Avenue, Knocknashinna and the Ardglass Road if a one-way system is enforced in Edward Street. Consideration will also include the impact on traffic in these areas following the development of the shopping centre in St Dillon's Avenue/John Street and the proposed new Super School on the St Mary's site. The outcome of this	Department for Infrastructure to commission a feasibility study.

would then have to go to	
consultation with those residents	
being affected by the changes.	
5 5	
Dfl advised that a collective	
approach will be needed to help	
resolve these issues. The school	
has more than doubled in size and therefore the traffic flows to the	
school have more than likely	
doubled. Ways of removing this	
traffic from the road need to be	
considered and the potential of	
providing a car park investigated further.	
In relation to a School Street	
Scheme, they advised they have	
recommended this for consideration.	Department for Infrastructure.
However, the implementation of this	
will require parents being able to park outside the zoned area and full	
agreement with everyone effected	
will be required.	

The meeting ended at: 11.20 am

Newry, Mourne and Down District Council

Action Sheet of Crotlieve District Electoral Area (DEA) Forum Private Meeting held on Tuesday 14 th March 2023 at 18.00 pm via Microsoft Teams:		
Chairperson:	Councillor Gerry O'Hare	
In Attendance:	Councillor Michael Ruane Councillor Declan McAteer Councillor Mark Gibbons Councillor Jarlath Tinnelly Councillor Karen McKevitt	
Independent Members:	None in attendance

Julie McCann (Community Services, Facilities & Events)
Janine Hillen (Community Engagement)
Damien Brannigan (Engagement)
Justyna McCabe (Programmes Unit)
Sonya Burns (Programmes Unit)
Sarah McClory (Programmes Unit)
Eoin Devlin (Health & Wellbeing)
Brian Ranking (Sustainability)
Martina Flynn (PCSP)
Rosemary McDonnell (Community Advice Newry, Mourne & Down and Strategic Stakeholder Forum)
Nicholas McCrickard (County Down Rural Community Network and Strategic Stakeholder Forum)
Lynda Vladeanu (SEHSCT)

	Agenda Item	Discussion and Action Agreed	Raised by/Referred to
1.	Welcome & Apologies	Everyone welcomed to the meeting and apologies given.	All
2.	Actions from last CCH meeting held on Wednesday 18 th January 2023	 Actions from last CCH meeting held attached. Social Supermarket: Clanrye Group contacted for referral numbers. Figures to be provided to Strategic Stakeholder Forum including updates on procedures for applications. £35 Food Voucher available if families and individuals sign up to three other referrals from Wrap Around Scheme. £25,000.00 Funding from Credit Union, as previously reported, has commenced with a number of families provided with £250 for oil. Funding from Credit Union to continue to be allocated to families across the district. No update from Norbrook if excess Turkeys and Hams will be allocated. To be followed up with Norbrook. 	All RJ RJ RJ
3.	Funding Opportunities for NI Community	Funding Opportunities for NI Community. Copy attached for information and distribution as appropriate.	All
4.	Community Assistance Centre for Ukrainian Refugees Update	 Ukrainian Support Centre, which provides support for Ukraine families, held today 15 February 2023 in Newry Leisure Centre. Meetings for individuals and families held every three weeks in Newry and every week in Belfast. There is evidence that families are relocating from this area to Belfast in order to avail of more community support. 	AB AMcC
5.	Update from DFC	 No funding update at present. Fair Share continuing to tackle food poverty and working alongside local charities to provide food and healthy nutritious meals to disadvantaged/vulnerable groups and families. 	JE

		 Bryson also working with community partners at present to provide food and electricity support. Cost of Living Crisis, if money does become available how will the funding be allocated and distributed between Council areas? If funding is made available through the Hardship Fund, Councils are to review how the funding is to be awarded. The mechanism for distributing the funding will have to be in place and funding allocated by the 31 March 2023. It was agreed that, if required, the Community Coordination Hub (CCH) could ensure that the funding is distributed to the most vulnerable in our Council area, in this financial year, by allocating the funding provided for the hardship scheme to the Newry, Mourne & Down Strategic Stakeholder Forum (SSF) whose members would then identify individuals and/or families most in need of this type of assistance by working with their 'Trusted Partners' in the voluntary and statutory sector. 	RJ JE
6.	Cost of Living Crisis Response/Warm Spaces	 Warm Spaces At present Warm Spaces are being provided throughout the Council area in each DEA. Anecdotal evidence suggests that demand is low at most of the Warm Space venues and they are being used more as a social space, which is in itself an important community provision. They continue to be promoted by the DEA Officers and the Marketing Team. Dan Rice Hall, Drumaness, now open and participants can attend on a Friday. Attendance in Downpatrick venues appear lower overall, this may be related to the rural nature of these areas. At present only a headcount of numbers attending. It was agreed that all stakeholders should meet in April/ May 2023 to review the warm hub projects and reflect on any "lessons learned". Details for dates and times can be found on the Council Web Page under Cost of Living. 	AR AR AB

From: Emma Sisk Head of Affordable Warmth and Energy Branch Level 3 Causeway Exchange 1-7 Bedford Street BELFAST BT2 7EG

Telephone: 028 90515269

27 February 2023

To: All Affordable Warmth Scheme Council Senior Officials

Dear all

AFFORDABLE WARMTH SCHEME – SERVICE LEVEL AGREEMENT, FUNDING AND A REFRESHED APPROACH TO TARGETING

At the Senior Officials meeting on 20 January, I said I would write to you about the interim Service Level Agreement (SLA), Council funding for delivery of the Scheme, and provide some guidance on the refreshed approach to targeting recently approved by the Department of Finance.

Service Level Agreement

I have attached the latest version of the SLA which we are proposing covers the period up to 31 March 2024, the end date of the existing approved business case. Councils indicated at January's meeting that this would need to be signed off at local committee before the election in May. I would be grateful if that process could be completed, and the signed SLA returned to the Department as soon as possible.

It is an audit requirement that Councils provide an assurance regarding financial accountability and operational delivery to assure the Department that funds provided for the

AWS are being spent on the Scheme. Therefore, can I ask that each Council provides this assurance statement and returns to the Department alongside the signed SLA. You should keep a record of the evidence you have used, and how you got the assurance you needed. We do not require Councils to send this evidence to us, but we may ask to see it, or elements of it.

Council Funding for Delivery of the Scheme

Unfortunately, I am not in a position to confirm the Scheme budget for 2023/24; however, our current planning assumption is for a capital budget of £16m. I had indicated at our last meeting that we may be asking Councils to make 30 referrals per month, however, due to the budget uncertainty we are now asking Councils to make 20 referrals per month from 01 April 2023 to 30 June 2023. As soon as I am given confirmation of the budget, I will write to you with details.

I understand there is some concern among Councils about meeting the referrals per month target without a change to funding arrangements. In addition, at the most recent Senior Officials meeting several Councils indicated that they may be unable to continue their participation in the Scheme under the current funding model. The SLA allows a +/-5 flexibility in monthly referral numbers and you should work with your local Grant Office to make up any shortfall by the end of each quarter.

The Department is drafting an addendum to the current Business Case to allow the Scheme to run from April 2024 – March 2026. Options on a revised funding model will be explored through the addendum. Any changes must demonstrate value for money and will be subject to relevant approvals and budget availability. We are progressing this work as a matter of urgency and hope that a revised model will provide additional certainty to Councils in regard to funding whilst allowing the Department to meet its financial and risk management obligations. I will provide further detail on the approved new approach at the earliest opportunity.

However, should any Council intend to formally withdraw from the Scheme, I would be grateful if you would notify the Department as a matter of urgency and by the 17th March 2023 at the latest so that alternative delivery models can be explored.

Refreshed Approach to Targeting

As you are aware an Internal Audit Review of the Affordable Warmth Scheme completed in March 2021 and recommended (4.1) in relation to targeting that the Department: a) Liaise with DoF regarding Scheme targeting to establish the implications for the 2018 interim Business Case and current Business Case approvals: and b) Undertake an evaluation of the targeted approach including the effectiveness of the model used and assess the impact on the current Business Case.

The Department commissioned Business Consultancy Services (BCS) in the Department of Finance to complete a study to examine if the Affordable Warmth Scheme continued to deliver value for money. This included an evaluation of both the effectiveness and value for money of the current targeted approach within the current delivery model. The BCS study concluded that:

- The principle of "worst first" is sound, and results in successful targeting of those most in need.
- The effectiveness of the current model has diminished in recent years, based on the marginal nature of targeting i.e. lists in a number of council areas are exhausted and the current 80/20 split is limiting councils' ability to target support towards people who are in relative need but outside of the targeted area.
- Continuing but optimising the current targeted approach by implementing the recommendations in this report would provide the best value for money at this point.

The BCS study recommended that:

- the definition of 'targeted' should be more flexible;
- the targeted to self-referral ratio should be amended (it suggested a change to 60:40);
- consideration should be given to expanding the targeted list.

In February 2022 the Department commenced a pilot with a refreshed approach to targeting in 3 Council areas: Antrim and Newtownabbey, Derry City and Strabane and Belfast. The pilot introduced a modified version of the definition of "targeted" to reflect the development of the Scheme since it began in 2015 and to take account of Councils' views on the

meaning of what a targeted case should include. For the purpose of the pilot the following referrals were considered targeted:

- On the targeted list;
- Same postcode as address on the targeted list;
- Close proximity (as determined by Council staff) to an address on the targeted list; or
- Signposted by another Agency or person.

The BCS study is attached at Annex A and a report of the pilot is attached at Annex B.

It is clear from the results of this pilot that a refreshed approach using the modified definition is more effective in finding and assisting those most in need and make the best use of Council resources and provides value for money.

We would therefore ask all Councils to commence using this refreshed targeted definition from 01 April 2023. To assist the Department to evaluate the effectiveness of this revised approach, Councils will also be asked complete the template attached at Annex C and return to the Department on a monthly basis. A member of the Affordable Warmth and Energy team will contact you soon to arrange a suitable date and time for a visit to your office to discuss the new approach with you.

Finally, I would like to take this opportunity to thank Councils for all their efforts in delivering the Scheme to date.

Yours sincerely,

Emma Sisk

CC: Oliver McHugh Josephine Gardner Nicola Kelly Eva Dougan

Annex B

PILOT OF A REFRESHED APPROACH TO TARGETING IN THE AFFORDABLE WARMTH SCHEME

Background

Rationale for Targeting

- The Affordable Warmth Scheme was introduced in April 2015 and targeted homes most at risk of fuel poverty and likely to be in need of improvements to their energy efficiency. Initially the Department adhered rigidly to a referral ratio from Councils of 80% targeted and 20% self-referral. This was to ensure that Councils focused on the targeted lists of addresses provided to them by the Department. These addresses were identified using a targeting tool developed by Ulster University and were most likely to be in severe fuel poverty.
- 2. The Scheme was built on a partnership with Councils and as it developed it was always expected Councils would be more involved using local knowledge to identify and target households most at risk of fuel poverty in their local area. As the Scheme progressed year on year an increased number of referrals came from areas outside those identified on the targeted lists. All of these referrals meet the Scheme qualification criteria and were just as likely to be in severe fuel poverty as those on the targeted lists.

Developing the Targeted Approach

3. The 80/20 split was becoming almost impossible to meet and Councils argued that that there should be more flexibility around it. The targeted lists in some council areas had been exhausted and they could not be re-worked or looked at until after the census results which could be post 2024. Refreshing the targeted approach does not represent a move away from targeting the "worst first" ethos of the Scheme, rather it acknowledges that Councils are well placed to assist with the identification and targeting of those most in need by using local knowledge and maintains the targeted approach approved in the Business Case.

Business Consultancy Services Study

- 4. The Department commissioned Business Consultancy Services (BCS) in the Department of Finance to complete a study to examine if the Affordable Warmth Scheme continued to deliver value for money. This included an evaluation of both the effectiveness and value for money of the current targeted approach within the current delivery model.
- 5. The BCS study concluded that:
 - The principle of "worst first" is sound, and results in successful targeting of those most in need.
 - The effectiveness of the current model has diminished in recent years, based on the marginal nature of targeting i.e., lists in a number of council areas are exhausted and the current 80/20 split is limiting councils' ability to target support towards people who are in relative need but outside of the targeted area.
 - Continuing but optimising the current targeted approach by implementing the recommendations in this report would provide the best value for money at this point.
- 6. The BCS study recommended that:
 - the definition of 'targeted' should be more flexible;
 - the targeted to self-referral ratio should be amended (it suggests a change to 60:40);
 - consideration should be given to expanding the targeted list.
- This presented an opportunity for a pilot of the refreshed approach to be run across three of the councils.

The Refreshed Approach to Targeting pilot

 It was agreed that the pilot would run in in 3 Council areas - Antrim and Newtownabbey, Derry City and Strabane and Belfast. The status of targeting in each of the council areas at the start of the pilot was:

- 52
- <u>Antrim & Newtownabbey –</u> Been through list 5 times, door knocking and letters sent out. Of the last 400 letters sent out, there were 3 responses and of those only 1 of those were eligible for AWS.
- <u>Derry City & Strabane –</u> Been through list twice and it is now exhausted. They had also sent out letters but the response has been minimal and the cost involved has not been recouped.
- <u>Belfast List has not been exhausted</u>, when self-referrals come in they look at the targeted lists to see if they can bring them in under targeted.
- 9. The pilot introduced a modified version of the definition of "targeted" to reflect the development of the Scheme since it began in 2015 and to take account of Councils' views on the meaning of what a targeted case should include. For the purpose of the pilot the following referrals were considered targeted:
 - On the targeted list;
 - Same postcode as address on the targeted list;
 - Close proximity (as determined by Council staff) to an address on the targeted list; or
 - Signposted by another Agency or person.

Results from the Pilot

- 10. Adhering to the targeted lists and the 80% targeted 20% self-referral arrangement had been restricting Councils' ability to use their local knowledge to assist the "worst first". Refreshing the approach to targeting has allowed Councils to use their resources to find homes most in need of assistance. A summary of the referrals from the pilot is attached at Appendix 1 and shows a significant shift in the levels of cases considered targeted when using the refreshed approach.
- 11. It is important to note the low levels of household incomes in many of the cases which were targeted by the pilot using the refreshed approach, many of these would not have been identified otherwise. In Belfast the average household income for

referrals during the period of the pilot was £13,200, in Antrim and Newtownabbey it was £13,758 and in Derry and Strabane the average household income was £13,152.

- It is also important to note that 76% of approved referrals received multiple energy efficiency measures and 63% received priority 1 measures (Insulation / Ventilation / Draught-proofing).
- 13. The Councils have recorded many examples of homes in real need of assistance which they would not have been able to refer into the Scheme outside the pilot arrangements. Some of these are shown in Appendix 2.

Conclusion

- 14. The use of targeted lists and adherence to a strict 80% targeted and 20% selfreferral was necessary to ensure that resources were directed to those most in need of assistance in the early years of the Scheme. The findings from the pilot show a rate of 80% targeted and 20% self-referral.
- 15. It is clear from the results of this pilot that a refreshed approach using the modified definition is more effective in finding and assisting those most in need and make the best use of Council resources and provides value for money.

Recommendation

16. The Department recommends that the refreshed approach to targeting is rolled out to all eleven Councils from 1 February 2023. The Department will review the refreshed approach after one full year of operation. In line with the BCS Study the targeted to self-referral ratio should be amended to 60:40.

Appendix 1

AFFORDABLE WARMTH SCHEME TARGETING PILOT FEBRUARY - OCTOBER 2022 SUMMARY

Council	Total Feb - Oct	Targeted List	Same Postcode	Close Geographical Proximity	Referred by another Agency	Self- Referral	Average Income Ievel
Antrim N'Abbey *	172	27	15	92	1	37	£13,758
		78%					
Belfast	221	5	54	7	118	37	£13,200
		83%					
Derry Strabane	230	92	0	77	8	53	£13,152
		77%					
Overall	623	124	69	176	127	127	£13,370
			80%			20%	

• Information for Antrim and Newtownabbey is for 6 months only

Case 1 – 65 Joanmount Park

Address is outside the targeted area, referred by a family member who thought she might be eligible for the scheme. 82 years old, solid fuel glass fronted fire and unable to use the fire easily or safely now due to age and mobility issues.

Case 2 – 37 Whitecliff Parade

Address is not on the targeted list but within the targeted area and has the same postcode (dropping the last letter). Lady who is 64 years old receives DLA, has mental health problems and has a daughter with learning difficulties living in the house. The old oil boiler was completely broken and she had no insulation in the house at all. She was referred to the Warm and Well scheme to provide her with oil-filled electric radiators and electricity top ups in the interim period.

Case 3 – 21 Glencairn Crescent

Outside targeted area, referred by a community worker. Elderly gentleman, 85 years old recently lost his wife. No insulation at all in the property and finds it very difficult to heat and spending a large amount of money on gas. Despite having a new boiler he has also been having trouble with the heating so he was referred to the Warm and well Scheme who arranged for the heating system to be inspected and subsequently flushed. He was also referred to Bryson for a home safety check and handyperson service as he had a few odd jobs and clutter to clear from his home.

Annex C

COUNCIL RPEORTING TEMPLATE

AFFORDABLE WARMTH SCHEME

INTERIM

SERVICE LEVEL AGREEMENT

between

DEPARTMENT FOR COMMUNITIES

and

NEWRY, MOURNE AND DOWN COUNCIL

For the period 1 April 2022 to 31 March 2024

Date: 27 February 2023

1. Overview

- 1.1. The Department for Communities (DfC/the Department) is responsible for developing policy and implementing programmes to mitigate the effects of fuel poverty and improve the thermal comfort of low income households across Northern Ireland. The Affordable Warmth Scheme is DfC's primary scheme for tackling fuel poverty. DfC works in partnership with all local councils and the Northern Ireland Housing Executive (NIHE/the Housing Executive) to deliver the Affordable Warmth Scheme.
- 1.2. The Affordable Warmth Scheme aims to mitigate the effects of fuel poverty in households living in severe or extreme fuel poverty. It targets low income households in eligible private housing and delivers home energy efficiency improvement measures to qualifying households.
- 1.3. All parties will use opportunities during the life of this agreement to display a commitment to work together in support of Government aims to improve household energy efficiency.
- 1.4. This SLA also covers Armagh City, Banbridge and Craigavon Borough Council (ABC). Newry, Mourne and Down District Council (NMD) will administer the scheme of behalf of ABC and will be responsible for all aspects of work previously completed by ABC.

2. Aims and Objectives of the Affordable Warmth Scheme

- 2.1. The Affordable Warmth Scheme is delivered under the statutory framework contained within the Domestic Energy Efficiency Grants Regulations (Northern Ireland) 2009 as amended by the Domestic Energy Efficiency (Amendment) Regulations (Northern Ireland) 2016 (2016 SR NO 333 Para 7) and Amendment Regulations 2021 (2021 SR NO 147).
- 2.2. The aims of the Affordable Warmth Scheme include to:
 - mitigate the effects of fuel poverty in low income households.
 - deliver a whole house approach providing energy efficiency improvement measures.
 - target and assist those most likely to be living in the most severe fuel poverty first using a triage system which utilises an agreed scoring matrix to prioritise cases and maintain consistency across all Council areas. The weighting for the triage system takes account

of the vulnerability of the householder in terms of age and disability and the condition of the household.

- deliver a range of measures within a short period of time with minimal disruption to residents.
- raise the SAP rating of homes to a level which would protect the occupants from the impacts of fuel poverty.
- > deliver tailored solutions in a synchronised way.
- 2.3. The Affordable Warmth Business Case (2019 2024) contains the following objectives and performance indicators:
 - between 1 June 2019 and 31 March 2024 to deliver energy efficiency improvement measures to a minimum of 14,000 homes considered to be likely to be at risk of severe fuel poverty
 - between 1 June 2019 and 31 March 2024 to deliver 21,000 energy efficiency measures.
- 2.4. For the period of this SLA and based on an annual budget of £16m this translates overall as:
 - > 3,137 homes assisted
 - > 4,705 energy efficiency measures provided
- 2.5. The measures available under this scheme are listed at Annex A

3. Scope and Duration of the Interim Agreement

3.1. The Department has agreed to work with Councils to review a number of issues raised by Councils. To inform the process going forward DfC commissioned Business Consultancy Services (BCS) to undertake an evaluation of the current targeted approach of the Affordable Warmth Scheme and to examine and consider the appropriateness of the current funding model. Councils participated in that study and made recommendations for a refreshed approached to targeting. This approach was piloted in 3 Council areas and the Department made recommendations to DoF to make changes to the targeted approach based on the results of the pilot. DoF agreed to the changes and Councils will be asked to introduce the refreshed approach from 1 April 2023.

- 3.2. The purpose of this Service Level Agreement (SLA) is to set out the interim arrangement between the Department and Councils pending further consideration of the way forward in the development of a future SLA. It sets out the relationship between Councils and DfC, the duties and responsibilities on each and the outworkings of delivering the Affordable Warmth Scheme.
- 3.3. This interim agreement takes effect from 1 April 2022 and remains in force unless terminated by:
 - > The end date of the agreement: 31 March 2024
 - > Either party, on the expiry of 3 months' notice in writing.
 - > The agreement of both parties.
- 3.4. Any party may also terminate the Agreement without notice, for any of the following reasons:
 - > any breach by the other of its obligations under this Agreement; and
 - in the case of a breach capable of rectification, where such breach has not been rectified by the other party within 14 days of it being given notice of same.
- 3.5. The agreement may be amended at any time with the consent of both parties. Agreed amendments will be incorporated into the agreement and recorded at *Annex B*
- 3.6. This interim agreement will be reviewed as part of a wider review of the SLA as required under DfC Internal Audit Recommendation 4.2(c):

Review the SLA to ensure clarity is provided on self-referrals, the Scheme's objectives and key performance indicators are included and ownership is clearly attributed between the parties.

4. Role and Responsibilities

4.1. Department for Communities

- 4.1.1. The Department for Communities has a responsibility to ensure that the Affordable Warmth Scheme meets its aims and objectives and is delivered in partnership with local Councils and NIHE.
- 4.1.2. The Department undertakes to:

- bid for funding to enable Councils and NIHE to administer the Scheme. Funding to Councils will be provided through NIHE which will transfer agreed funds to each local council on a quarterly basis (the funding model is under review and any revised model will be approved by DoF);
- set a target for referrals which Local Councils will deliver to the NIHE annually and monthly;
- where targets are required to be changed due to budgetary or scheme performance reasons give 2 months' notice of an increase or decrease of targets;
- provide each Local Council with data detailing the households to be targeted where appropriate;
- > provide reporting templates for Local Councils monthly progress reports.
- continually monitor and evaluate the scheme through reporting arrangements with the NIHE and Local Councils;
- > provide advice to the NIHE regarding the policy of the scheme as required;
- consider changes that will improve process or impact as the scheme develops;
- > carry out a final evaluation of the Scheme post 31 March 2024.

4.2. Local Councils

- 4.2.1. Local Councils are responsible for targeting households who are most in need, determining eligibility for the Scheme and submitting regular referrals to the NIHE. Each local council has been provided with details of households considered to potentially meet the conditions of the scheme.
- 4.2.2. Each Local Council undertakes to:
 - with the consent of the targeted householder, conduct an eligibility assessment with the householder to collate and verify eligibility for the Scheme in relation to occupancy, tenure and financial income;
 - contribute to the objectives and performance indicators (paras 2.3 and 2.4 refer) by maintaining a steady rate of 40 +/- 10 (equating to 20 +/- 5 each for NMD and ABC) completed first time surveys to their local NIHE Grant Office

monthly (equates to approximately 480 per Council area annually). Additional referrals will not be accepted without prior agreement with the Department and NIHE. The monthly tolerance difference should be made up by the end of the quarter.

- apply appropriate discretion regarding accepting self-referrals (currently referrals which are not from the 'targeted list'). Local councils must bear in mind that Affordable Warmth is primarily a targeted scheme. Targeting those households in most need of intervention and requiring scheme measures in priority one to four order (Annex A). This clause will be amended to reflect the refreshed targeting approach from 1 April 2023.
- advise the Department within one month if referral targets cannot be met along with a plan for resolution.
- where the number of referrals may need to be adjusted in year due to budget change or scheme performance, endeavour to meet the new targets in order to maximise the number of households being supported. Where this is not possible the Council must inform the Department;
- highlight urgent cases to the NIHE central team at the time the referral is being electronically transferred. An urgent case is defined as a household with no heating system, or where a 15 year old central heating boiler is broken down beyond repair
- ensure that when an application is received by Building Control that officials arrange for measures to be inspected. NIHE will provide Councils with details where certificates are outstanding, and both parties will actively progress these cases and report position at the quarterly partnership meetings.
- Building Control officials will confirm to the NIHE whether the installation is in compliance with the building regulations;
- provide householders participating in the scheme with information regarding energy advice;
- manage and respond to complaints concerning local council staff regarding the Affordable Warmth Scheme;
- where local council officials have completed the survey and referred that survey to the NIHE, direct any query regarding the application to the NIHE to resolve.

- meet with the NIHE and DfC at least quarterly to discuss the progress of the scheme and discuss any areas of concern;
- participate in both the established Senior Officer group (3 meetings per year) and other ad hoc meetings as and when required;
- where the householder agrees, refer their details (name, address, contact number) to the Social Welfare Group (*Make the Call¹*) for the purposes of conducting a Benefit Entitlement Check with them.
- carry out additional duties such as handholding of householders and qualitative case studies of homes which have received assistance through the Scheme.

4.3. Northern Ireland Housing Executive

- 4.3.1. The NIHE is a non-departmental public body. Therefore it will not be a signatory to this SLA as the DfC and the NIHE has an established accountability process. This accountability process sets out the controls to be exercised over the different areas of the NIHE's activities by the DfC directly or by the NIHE itself. The prime purpose is to assist the Permanent Secretary of DfC in discharging his responsibilities in relation to NIHE systems and as such represents a formal statement by DfC of the standards it requires the NIHE to achieve in relation to the probity of activities.
- 4.3.2. The NIHE undertakes to:
 - > act as Scheme Manager to deliver the schemes strategic objectives;
 - manage and control all financial procedures and in line with approved budgetary capacity and scheme business case;
 - develop, implement and monitor scheme policies, procedures and guidance underpinned by the objectives outlined in the scheme business case;
 - provide performance and financial information and complete all monthly and quarterly reports to NIHE Executive Team and DfC;
 - complete evaluations of the scheme interventions in relation to customer satisfaction levels, energy efficiency and fuel poverty;

¹ Link for contact information and general information to Make the Call <u>Make the Call Service | nidirect</u>

- work closely with DfC, Councils and Grants Offices to ensure effective delivery of the scheme business case;
- manage, investigate and respond to all complaints in line with Housing Executive policies;
- administer scheme information requests where available such as Freedom of Information Requests, Subject Access Requests and Assembly Questions;
- positively engage with other scheme stakeholders and actively address matters pertaining to the scheme;
- carry out the daily tasks as defined in the Scheme Information & Policy Guide;
- attend quarterly partnership meetings and provide scheme performance update and address matters relating to the scheme with senior officials;
- maintain local monthly meeting between Grants Office representative and Council representative to address local queries;
- complete sample verification checks (minimum 10% maximum 100%) of applications referred and liaise with Councils on the findings so corrective action can be taken;
- encourage scheme participation, give technical and energy guidance to householders and help reduce cancellations.

5. Financial Arrangements

5.1. Local councils will be responsible and accountable for the management of the Affordable Warmth budget allocated to them and paid to them quarterly by NIHE. Each local council must ensure that they have appropriate financial management policies in place and that the Affordable Warmth Scheme budget is ring fenced for Affordable Warmth activities.

6. Monitoring & Reporting

6.1. Each local council will provide the Department, with monthly progress reports (template attached at *Annex C*) regarding the number of:

- referrals completed;
- > the number of self-referral referrals completed; and
- > numbers and details of referrals to other schemes or services.
- 6.2. Local councils will advise the Department of any Internal Audit of the Affordable Warmth Scheme in their Council area, share any Audit recommendations concerning Affordable Warmth and consider those which relate to improving the management of the scheme. This will be done in consultation with DfC.

7. Accountability

7.1. Overall accountability for the delivery of the scheme rests with the Accounting Officer of DfC as the funding department. However, each receiving organisation is accountable for its own finances and ensuring that appropriate controls are in place in order to provide them with the necessary assurances regarding expenditure.

8. Limited Liability

8.1. The local council shall have no liability to the Department for any loss or damage sustained by the Department as a result of the Department relying on any information supplied to it by the local council under this agreement.

9. Confidentiality and Data

9.1. All Parties are to take cognisance of the Data Protection, GDPR and Freedom of Information legislation. *Annex D* sets out an agreement for the processing of personal data for the DfC and the NIHE.

COPY OF MONTHLY RETURNS TEMPLATE

DATA PROCESSING AGREEMENT - NEWRY, MOURNE AND DOWN COUNCIL

for the processing of personal data for the Department of Communities and Northern Ireland Housing Executive

1) Purpose

- This agreement sets out the terms and conditions by which personal data will be processed by the Council's on behalf of the Department for Communities (DfC) and the Northern Ireland Housing Executive (NIHE).
- This agreement is signed and agreed to ensure full compliance with the provisions of the Data Protection Act 2018 (DPA 2018) and is consistent with the original purpose for which the data is / was gathered and further processed.
- 3. The purpose of the disclosure is to facilitate the processing of personal data on behalf of the DfC and NIHE who are the Data Controllers and to fulfil the obligations with regard to: Improving domestic energy efficiency in the private sector across Northern Ireland via the Affordable Warmth Scheme. This scheme aims to target identified low income households and deliver energy efficiency improvement measures to qualifying households. The Affordable Warmth Scheme is DfC's primary scheme for tackling fuel poverty. DfC and NIHE work in partnership with all local councils and the NIHE to deliver the Affordable Warmth Scheme.
- The terms Data, Data Controller, Data Processor, Personal Data, Sensitive Personal Data, Processing and Information Commissioner have the same meaning as defined within the Data Protection Act 2018.
- "Agreement" means this Data Processor agreement along with any associated documents attached or referred to as forming part of the agreement.

ANNEX D

- "Services" means the services that will be provided by the Data Processor during the period of the agreement.
- "Council Liaison officer" means the person nominated by each Data Processor who will assume day to day management responsibility and liaison with the Data Controllers.

2) Use and Disclosure of Personal Data

- Councils will receive specific targeted lists of referral addresses within their Council area of responsibility and also receive independent enquiries from individuals who are not on the target list.
- 2. Council officers will visit targeted and non-targeted addresses, where appropriate to assess eligibility for the scheme and collect the necessary documentation. When visiting an address, the Council officers will complete an electronic NIHE application form named 'Affordable Warmth Scheme' application.
- 3. As part of the process, the applicant is required to provide documentation to verify eligibility including proof of ownership, occupancy and income. These eligibility documents will be photographed by Council staff on a Council issued electronic tablet at the time of the visit and in the home of the applicant. Eligibility documents will be shared with NIHE electronically and the eligibility document data is then deleted beyond recovery from the tablets. Where documents cannot be submitted electronically, hardcopies can be accepted if necessary.
- 4. The tablets have a security feature that secures all data being stored on and transmitted to a device and provides functionality to lock down and wipe data from a device if it is lost or stolen.
- 5. In certain cases the original hard copy eligibility documents are removed by the Council officers instead of photographing onto the electronic tablet in the

home of the applicant. These documents will be photographed or scanned and checked that the copy is legible before sharing with NIHE. The originals will be returned to the applicant in such a way to protect the data in accordance with Council policy.

- 6. If the property is privately rented, the Council officers will send a consent form to the landlord.
- Data gathered for this purpose will not be disclosed to any other person or organisation. The data is used to confirm the eligibility of the applicant to receive a grant.

3) Proportionality / Subject Access

- The processing will be proportional for its purpose and a high level of security and confidentiality will be applied. The Council will additionally agree to notify the ICO if any changes are required to their Data Protection notification.
- If a subject access request is made directly to the Council and it involves personal data controlled by DfC and NIHE, it is the responsibility of the relevant Council to immediately liaise with DfC and NIHE to process the request.
- DfC and NIHE will give appropriate assistance as is necessary to the Council to enable it to:
- · Comply with a subject access request
- Respond to any information notice served upon the Council by the ICO
- Respond to any complaint from a data subject
- Investigate any breach or alleged breach of the Data Protection Act

4) Security

16

- 1. The Council will apply appropriate security measures equal with the requirements of the Data Protection Act 2018.
- The Council must ensure that appropriate technical and organisational measures shall be taken against unauthorised or unlawful processing of personal data and against accidental loss or destruction of, or damage to, personal data. In particular, the Council shall ensure that measures are in place to:
 - Prevent accidental compromise or damage during storage, handling, use, processing, transmission or transport;
 - Deter deliberate compromise or opportunist attack;
 - · Promote discretion in order to avoid unauthorised access; and
 - Provide suitable training to their staff on how to handle DfC and NIHE data.
- 3. To ensure Information Security Standards Councils will work to the principles of ISO27001.
- The personal data, including application forms and supporting documents, is transferred to NIHE (on behalf of DfC) via -Electronic forms are transferred to NIHE using XML files and FTPS site or using password protected xml files via e-mail.
- 5. When necessary paper application forms and supporting documentation are hand delivered to NIHE grants office and signed in by case officers.
- The services of any sub-contractor will not be used by the Council in connection with the processing of DfC and NIHE data without prior approval.

5) Confidentiality

- The Council will not disclose or communicate to any other individual or organisation the personal data gathered for DfC and NIHE. They shall treat any personal data provided strictly private and confidential.
- 2. The Council shall ensure that any of their staff listed within the agreement are aware of their responsibilities in connection with the use of that data.
- The obligations of confidentiality in relation to this agreement by the Council will remain in force after the expiry of this agreement.
- 4. This obligation of confidentiality shall not apply where disclosure of DfC and NIHE data is ordered by a Court of law. There may also be occasions when disclosure is required by the Police or other law enforcement agencies for the investigation of a crime or is required for legal proceedings.
- 5. If this happens, and a request is received by the Council, it must inform DfC and NIHE as soon as possible in writing, stating the identity of the requesting body and nature of the data sought. This will allow DfC and NIHE to deliberate and decide on what can be released.

6) Retention and Review

1. The data should be retained for five years in line with DfC retention policies.

7) Data Processor Breach of Security

 In the event of a data breach by the Council, which involves DfC and NIHE data, the Council Liaison Officer must immediately inform DfC and NIHE of the circumstances.

- 2. A data breach can take the form of the following:-
 - The loss or theft of data;
 - Equipment failure;
 - Professional hacking attempt;
 - Professional "blagging" whereby data is obtained by deceit; and
 - Human error by accidental disclosure. (An organisation mistakenly providing personal information to the wrong person, for example by sending details out to the wrong address).
- Once it has been confirmed that DfC and NIHE personal data has been involved, the main DfC Data Breach procedure must be invoked. It must also be assumed that the Council will have a data breach procedure in place; however, DfC will lead on this matter.

8) Time Period of agreement and Termination

- 1. This agreement will remain in force until the SLA is reviewed. However if potential issues do emerge, this may require further consideration.
- 2. DfC may at any time by notice in writing, terminate this agreement if the Council is in breach of any obligation under this agreement.
- DfC retains the final decision in any variation to the agreement. No variation will occur unless written directions are signed by both parties and included within this document.

This constitutes an agreement between the Council (acting as Data Processors) and DfC / NIHE who will abide by the content of this document.

Report to:	Active and Healthy Communities
Date of Meeting:	20 th March 2023
Subject:	Consultation Response – DfE Draft Offshore Renewable Energy Action Plan Consultation
Reporting Officer (Including Job Title):	Eoin Devlin, Assistant Director Health and Wellbeing
Contact Officer (Including Job Title):	Brian Rankin, Head of Sustainability

Confirm	n how this Report should be treated by placing an x in either: -

1.0	Purpose and Background
1.1	That the Committee agree to the submission of the attached Consultation response.
2.0	Key issues
2.1	The Department for the Economy (DfE) is seeking views on proposals for a draft Offshore Renewable Energy Action Plan (OREAP) for Northern Ireland.
	In December 2021, the NI Executive published the Northern Ireland Energy Strategy "Path to Net Zero Energy," which established the vision for net zero and affordable energy by 2050. The strategy was followed in January 2022 by the publication of a 22-point Action Plan outlining some of the main actions to be taken forward. Among these is Action 14, which commits to "Develop an action plan to deliver 1GW of offshore wind from 2030". The Climate Change Act 2022 raised the commitment for renewable electricity
	consumption from 70%, as established in the Energy Strategy, to 80% by 2030. Research underpinning the Energy Strategy established that one of the criteria for raising the renewable electricity consumption target was the deployment of offshore wind in NI waters by 2030. The OREAP is designed to accelerate the energy strategy ambition and set the pathway to achieving the deployment of offshore wind.
	The draft OREAP sets out the direction for planning, licensing, consenting and the development of offshore renewable energy in NI, and this consultation is intended to enable stakeholders to contribute and provide input into offshore renewable energy policy development.
	The response from NMDDC supports the proposals in general, but also stresses the need for further engagement and consultation with relevant stakeholders such as local councils and crucially the general public and local community groups. We have particularly highlighted the need to engage with coastal areas and communities. A further key concern is the timeline of the OREAP, with clarity required on how our target of 80% renewable electricity consumption by 2030 is intended to be met if 1GW of offshore wind energy is to be delivered from 2030, rather than before that date. Please note that the deadline for consultation responses was 16 th March 2023 and a submission has been provided with the caveat that it is subject to Council

	Approval and so this can be retracted or changes can be made, subject to Cour Approval.	ncil

NMDDC Response to DfE Draft Offshore Renewable Energy Action Plan Consultation

Consultation Details:

Consultation Opened:	21 December 22
Consultation Closes:	16 March 23
Preferred Method of Response:	Online at Draft Offshore Renewable Energy Action Plan
	Department for the Economy (economy-ni.gov.uk)
	A list of all 12 questions and draft responses are provided below for review and approval, prior to being submitted
Responses prepared by:	Brian Rankin, Head of Sustainability
Other comments:	It is assumed that the list of respondents to this consultation will be made publicly available. Responses may also be publicly available.

Context / Background:

In December 2021, the NI Executive published the Northern Ireland Energy Strategy "Path to Net Zero Energy," which established the vision for net zero and affordable energy by 2050. The strategy was followed in January 2022 by the publication of a 22-point Action Plan outlining some of the main actions to be taken forward. Among these is Action 14, which commits to "Develop an action plan to deliver 1GW of offshore wind from 2030".

The Climate Change Act 2022 raised the commitment for renewable electricity consumption from 70%, as established in the Energy Strategy, to 80% by 2030. Research underpinning the Energy Strategy established that one of the criteria for raising the renewable electricity consumption target was the deployment of offshore wind in NI waters **by** 2030. The Offshore Renewable Energy Action Plan (OREAP) is designed to accelerate the energy strategy ambition and set the pathway to achieving the deployment of offshore wind.

The draft OREAP sets out the direction for planning, licensing, consenting and the development of offshore renewable energy in NI, and this consultation is intended to enable stakeholders to contribute and provide input into offshore renewable energy policy development.

Questions and Draft Responses:

 Do you agree with the principles of the Offshore Renewable Energy Action Plan? (N.B. The three principles are "Sustainable development in the marine environment", "Adaptive Approach" and "Collaboration and partnership").

Yes.

We would particularly stress the importance of appropriately engaging and consulting with local councils such as Newry, Mourne and Down District Council, along with public consultations in coastal areas which may be more impacted by the development of offshore renewable energy. This should include clarification on the benefits for local communities in impacted areas.

Do you agree with the key objectives and actions in relation to Theme 1?
 (N.B. Theme 1 is "Sustainability and Co-existence" with 3 objectives proposed, each with an associated action)

Yes.

We would encourage the updating of the 2012 Strategic Environmental Assessment (SEA) and Habitats Regulations Assessments (HRA) in order to ensure any future development appropriately considers local biodiversity and natural habitats. As suggested, it is critical that proposals align with other policies such as the NI Marine Plan, Biodiversity Strategy and Blue Carbon Action Plan.

As noted in our response to Q1, we would stress the importance of consulting and engaging with local communities who live close to the marine environment which may be particularly impacted by future development, in order to clearly outline the specific benefits for their communities.

3. Are there any other areas that require further attention?

No.

None have been suggested, but we would encourage ongoing direct engagement with Newry, Mourne and Down District Council to allow us to further understand the potential benefits and impacts associated with any future development. This is particularly relevant to our council area given our extensive coastline and the potential impact on local communities.

Do you agree with the key objectives and actions in relation to Theme 2?
 (N.B. Theme 2 is "Enabling Frameworks" with 3 objectives proposed, along with 5 actions)

Yes.

5. Are there any other areas that require further attention?

No.

None have been suggested, but we would encourage ongoing direct engagement with Newry, Mourne and Down District Council to allow us to further understand the potential benefits and impacts associated with any future development. This is particularly relevant to our council area given our extensive coastline and the potential impact on local communities.

Do you agree with the key objectives and actions in relation to Theme 3?
 (N.B. Theme 3 is "Electricity Network" with 2 objectives proposed, along with 3 actions)

Yes.

Development of the wider local electricity network is crucial in order to effectively make use of future offshore renewable energy and also ensure issues associated with onshore wind, such as curtailment, are addressed at as early a stage as possible. As an example, this could include further consideration of large energy storage projects. Newry, Mourne and Down District Council would be keen to discuss such opportunities with relevant stakeholders, including DfE, DfI, SONI and NIEN. It is particularly important to understand future work in this area which may particularly impact upon certain coastal areas and communities. It would be helpful to clearly identify if there are any coastal areas with network constraints where there may be opportunities to align future offshore renewable energy development with grid enhancement in order to bring direct benefits to the local community and local

businesses.

7. Are there any other areas that require further attention?

None have been suggested, but we would encourage ongoing direct engagement with Newry, Mourne and Down District Council to allow us to further understand the potential benefits and impacts associated with any future development. This is particularly relevant to our council area given our extensive coastline and the potential impact on local communities.

Do you agree with the key objectives and actions in relation to Theme 4?
 (N.B. Theme 4 is "Economic Growth" with 2 objectives proposed, along with 7 actions)

Yes.

We would particularly encourage a focus on identifying and communicating the local economic benefits to coastal areas and communities. This would include considering the role which local industrial areas, including those already involved in the maritime sector can play. As an example, future developments in offshore renewable energy may provide enhanced employment opportunities for local areas and alignment should be sought to ensure local education bodies are able to support the development of local skills to meet this need.

9. Do you agree with the proposed approach to refine and improve consumer engagement?

No.

None have been suggested, but we would encourage ongoing direct engagement with Newry, Mourne and Down District Council to allow us to further understand the potential benefits and impacts associated with any future development. This is particularly relevant to our council area given our extensive coastline and the potential impact on local communities.

Do you agree with the key objectives and actions in relation to Theme 5?
 (N.B. Theme 5 is "Legislation and Regulation" with 1 objectives proposed, along with 3 actions)

Yes.

11. Do you agree with the proposed Energy One Stop Shop Implementation Roadmap?

No.

None have been suggested, but we would encourage ongoing direct engagement with Newry, Mourne and Down District Council to allow us to further understand the potential benefits and impacts associated with any future development. This is particularly relevant to our council area given our extensive coastline and the potential impact on local communities.

12. Do you have any further comments on the Draft OREAP?

We would suggest that further clarity on proposed timelines for development of offshore renewable energy is required, including the wider impacts associated with these timelines. Action 14 of the Energy Strategy Action Plan commits to "Develop an action plan to deliver 1GW of offshore wind **from** 2030". However, the Climate Change Act 2022 sets a commitment for renewable electricity consumption of 80% **by** 2030. The consultation notes the importance of offshore renewable energy, but the timeline provided in section 4 of the consultation suggests that offshore wind farm first power will be 2030 or later. Whilst it is noted that the indicative timeline will be further updated and enhanced, and that deployment of offshore wind in advance of 2030 will be considered if feasibly possible, the current timeline would seem to suggest that it may be 2030 or later before 1GW of offshore wind energy will be available (in full or in part). This would indicate that it will not be able to contribute significantly to the 2030 80% target. The role of offshore renewable energy should therefore be clarified, including what contribution is required in advance of 2030, and the associated implications and benefits of bringing the timeline forward

(whilst ensuring that all necessary steps such as community engagement and habitat assessments are undertaken). In the event that the timeline cannot be brought forward then further information would need to be provided on how the 80% target by 2030 is anticipated to be met, as this will have wider implications for bodies such as local councils, who may be considering onshore renewable energy projects.

The consultation also appears to use the phrases offshore renewable energy and offshore wind interchangeably at times and so further clarity on wider offshore options and the specific anticipated role of offshore wind farms would be beneficial.

Report to:	Active and Healthy Communities Committee
Date of Meeting:	20 th March 2023
Subject:	Community Centre Scale of charges 23/24
Reporting Officer	Janine Hillen
(Including Job Title):	Assistant Director Community Engagement
Contact Officer	Julie Mc Cann
(Including Job Title):	Head of Community Services, Facilities and Events

For decisi	on For noting only x
1.0	Purpose and Background
1.1	To note the contents of the report.
2.0	Key issues
2.1	The Community Services section carries out an annual analysis of its pricing mechanisms and presents this in the form of its scale of charges for Council consideration to take effect from the 1st April – 31st March each year. Over the last twelve months the cost of running a facility has increased dramatically with increased costs for heating, lighting, and cleaning materials. Community Associations who run facilities on Councils behalf have advised through a Community Questionnaire completed as part of the Community Facilities strategy that they are having trouble making ends meet and that by increasing the hire charges it would help them generate additional income.
	In line with the Councils rate processes the hire charges for Community Facilities have increased by 9%.
3.0	Recommendations
3.1	To note the contents of the report.

Report to:	Active and Healthy Communities Committee
Date of Meeting:	20 th March 2023
Subject:	Leisure and Sport Scale of Charges 2023/24
Reporting Officer (Including Job Title):	Paul Tamati, Assistant Director: Leisure and Sport
Contact Officer (Including Job Title):	Sinéad Geary, Head of Indoor Leisure

Confirm	how this Report should be treated by placing an x in either:-
For d	ecision For noting only x
1.0	Purpose and Background
1.1	The purpose of this report is to note the Leisure and Sport Scale of Charges for 2023/24. Leisure and Sport Service Section annually review its scale of charges in line with the rates estimates process.
2.0	Key issues
2.1	 In February 2023, Council set and approved the 2023/24 District rate. It was agreed as part of this process that the 2023/24 scale of charges for all council sections would increase by 9%. The main points of note within the scale of charges 2023/24 that is itemised within Appendix A are: To increase the pricing categories that have been adopted for the 2022/23 period with an agreed price increase of 9% applied. For the agreed 9% price rise, prices reviewed and rounded up/down to the nearest £0.10 to assist with the administration and cash handling at centres. Discretionary pricing flexibility under the Scheme of Delegation to allow scope for sales promotions, official Council supported events, member service issues, site specific usage trends, etc Ballymote Sports and Wellbeing Centre Members Charges – Following reopening of Fitness Suite to pre-Covid-19 opening hours, memberships have reverted back to pre-Covid19 prices. Meeting Rooms in Newcastle have been reassigned to alternative pricing categories following upgrade works to align with other centres. Leisure and Sports approach to concession charging is also reflected in the scale of charges as per appendix 1.
3.0	Recommendations
3.1	That AHC committee note the contents of this report and the Leisure and Sport Scale of Charges 2023/24 as set out in appendix 1.

Commercial/Non-Commercial Classification

There are a range of variables and differing definitions for Commercial and Non-Commercial organisations and therefore for the purposes of the Indoor Leisure Scale of Charges, it is proposed that the following definitions and criteria will be applied in order to establish the appropriate definition of a group or organisations.

Non-Commercial Organisations - can be part of the public sector, the community and voluntary sector or the charitable sector who aim to provide products and services to the community however they will not make a profit. However, there are some groups, organisations and initiatives that could define themselves as Non-Commercial but nonetheless operate with the intentions of making a profit and therefore a criteria needs be established to ensure adherence to the definition.

To determine any eligibility issues as a Non-Commercial organisation, if required the

following documentation should be requested as proof of this:

- 1. Charitable Organisation Numbers.
- Vat Registration Numbers.
- 3. Any membership fee information.
- 4. Copy of most recent AGM minutes and Committee members.
- Copy of most recent audited accounts.
- 6. Any affiliations to relevant governing body.
- 7. Previous facilities hire information.

Groups or organisations that cannot prove their eligibility for Non Commercial rates based on the above criteria will then be considered Commercial and the Commercial rate options will apply.

Evidence Required (When appropriate)

Eligibility	Restrictions
Children aged 0-4 years old.	Only applies to Swimming poo
Free admission to Carer	Normal admission policies app
if assisting participant.	
	Children aged 0-4 years old. Free admission to Carer

Free of Charge Use

Report to:	Active Healthy Communities
Date of Meeting:	20 th March 2023
Subject:	Financial Assistance - Procedures
Reporting Officer	Janine Hillen
(Including Job Title):	Assistant Director Community Engagement
Contact Officer	Sonya Burns – Heads of Service
(Including Job Title):	Ciara Burns – Project Coordinator

1.0	ecision For noting only x Purpose and Background
1.1	
1.1	
	Following a discussion at the Active and Healthy Community Committee meeting on 20 th
	February 2023 around extensions for capital projects.
	'It was agreed that a report be brought back to the Committee detailing the existing
	Financial Assistance Policy, protocols for groups accessing funding and legal advice
	on the next course of action.'
2.0	Key iegues
2.0 2.1	Key issues Council decisions relating to Financial Assistance Capital Grants to date:
2.1	Council decisions relating to Financial Assistance Capital Grants to date.
	Active Health Communities meeting 21 st March 2019
	It was agreed that the updated Financial Assistance Policy be implemented in conjunction with the online grant Management System, including:
	 Immediate procurement and implementation of an online system Assessment Process Verification Risk Assessment/Monitoring and Evaluation Sanctions
	For Capital Projects including those from the year 2021 the application includes a number of Stage 1 pass/fail basic requirements, (full guidance relevant to this year is attached):
	 Upload evidence to show that match funding is in place or is being processed. Demonstrate that they will have secured 100% of the funding required for the project to be completed inclusive of this application. Upload evidence that statutory approvals and permissions are in place. Upload a copy of the Business Case/Economic Appraisal completed. Upload evidence of site surveys completed and Risk Assessed. Upload evidence of approved Design Brief

	It is not anticipated the proposal will have an adverse impact upon equality of opportunity or good relations		
5.1	General proposal with no clearly defined impact upon, or connection to, specific equality and good relations outcomes		
5.0	Due regard to equality of opportunity and regard to good relations (complete the relevant sections)		
	Capital: As per Council budget		
4.1	None Revenue/Payroll:		
4.0	Resource implications		
3.1	For Noting		
3.0	Recommendations		
2.5	Legal Review Following discussion with Council's Legal Section the importance of Elected Members adhering to the agreed and adopted processes for Financial Assistance Payments has been reiterated. This is to provide a consistent approach and protect Council and Elected Members from potential legal challenges or grievances.		
2.3	Any applicant seeking a change in their capital programme can do so, but this can only be considered after review based on the original application stage 1 requirements and agreed procedures.		
	 response to up 3 internal/external and external audits per annum. Having robust systems in place is vital and to deviate from existing procedures is very high risk and may result in possible monetary or non-monetary sanctions. 		
2.2	 The Financial Assistance programme has administered: over £8million over the last 4 years across more than 20 themes annually 		
	 more than 12 months post letter of offer end date. Existing Capital Projects: Capital project for the period 2019-2020 or earlier, which require an extension beyond 31st March 2021 will be provided with one further 6-month extension (in light of the negative impact on the delivery of projects due to the pandemic). 		
	 Active and Healthy Community Committee on 15th February 2021 agreed: that any Capital project seeking a change in their programme can dealt with as per below: 2021-2022 Capital Projects: Council to cap the extension period for projects to no

Report to:	Active and Healthy Communities Committee
Date of Meeting:	20 March 2023
Subject:	Department for Communities (DfC) Cost of Living Salary Support Funding Report
Reporting Officer (Including Job Title):	Janine Hillen, Assistant Director Community Engagement
Contact Officer (Including Job Title):	Damien Brannigan, Head of Engagement

Confirm how this Report should be treated by placing an x in either: -					
For d	For decision For noting only X				
1.0	Purpose and Background				
1.1	Purpose To note the report.				
	Background The Council is the primary funder of 'Community Advice Newry, Mourne and Down', with the Council providing £292,539.00 for Generalist Advice Services, which is awarded through an annual Service Level Agreement (SLA). £143,871.30 of this £292,539.00 comes from DfC (under DfC's District Councils' Community Support Programme) and the Council contributes the remainder of £148,667.70 from its own resources.				
	 Council received an email and Declaration of Intent (see Appendix 1 attached) from DfC on Wednesday 22 February 2023 advising: Following ongoing engagement with the Voluntary & Community Sector (VCS) where the case for additional support was outlined, we have recognised the impact the cost-of-living crisis is having on the staff. In recognition and to acknowledge the vital role that the VCS plays in providing critical services within our communities we are now offering a one-off, non-consolidated payment to VCS organisations funded through the Voluntary and Community Division (VCD) or Community Empowerment Division (CED). This payment is being offered as a one-off, in-year financial contribution, for 2022/23 only, with the amount for each organisation determined through calculation of a maximum of £1,925 pro rata (gross) for each post* for which salary support is provided. *The payment is being provided ONLY for posts that attract a maximum annual salary of up to £47,665 (pro rata where postholder works reduced hours) The one-off payment of £28,657.46 (gross) to be distributed to the organisation(s) you fund as per Annex A (in the Declaration of Intent), to provide a payment of up to a maximum of £1,925 pro rata (gross) per funded salary currently supported through VCD/CED as a one-off contribution to assist with cost-of-living/inflationary pressures on budget and incomes for VCD funded organisations. This payment is to be applied to any posts that VCD provide salary support to. 				
	The additional funding of £28,657.46 is being provided by DfC for 'Community Advice Newry, Mourne & Down' and is ring-fenced for the purposes outlined in the Declaration of Intent and must be spent as soon as possible and accrued to the financial year ending the 31 March 2023.

DECLARATION OF INTENT

Following ongoing engagement with the Voluntary & Community Sector (VCS) where the case for additional support was outlined, we have recognised the impact the cost-of-living crisis is having on the staff you have employed within your organisation.

An Roinn

Pobal

Depairtment fur

Commonities

In recognition and to acknowledge the vital role that the VCS plays in providing critical services within our communities we are now offering a one-off, non-consolidated payment to VCS organisations funded through the Voluntary and Community Division (VCD) or Community Empowerment Division (CED). This payment is being offered as a one off, in-year financial contribution, for 2022/23 only, with the amount for each organisation determined through calculation of a **maximum of £1,925 pro rata (gross) for each post*** for which salary support is provided.

*The payment is being provided ONLY for posts that attract a maximum annual salary of up to £47,665 (pro rata where postholder works reduced hours)

Payments are scheduled to be issued on 13 March and should be available in your organisation's bank account within 5 working days of this date.

To confirm you wish to avail of or decline this additional support you are required to complete the declaration below and return by **24 February 2023**.

If you have any further queries, please do not hesitate to contact your Development Officer/Programme Manager.

106

DECLARATION

Intent to avail of this Salary Support Payment.

Newry, Mourne & Down DC

Project Ref: CO1-22-3140

We wish to avail of the opportunity to receive a one-off payment of £28,657.46 (gross), distributed to the organisations you fund as per Annex A, to provide a payment of **up to a maximum of £1,925 pro rata (gross) per funded salary** currently supported through VCD/CED as a one off contribution to assist with cost-of-living/inflationary pressures on budget and incomes for VCD funded organisations. This payment is to be applied to any posts that VCD provide salary support to.

PLEASE NOTE: The payment is being provided ONLY for posts that attract a maximum annual salary of up to £47,665 (pro rata where applicable)

 \checkmark We intend to avail of the full salary support above.

- We intend to partially avail of the salary support up to an amount of
 £______ for the following reason:
- We do not intend to avail of the salary support above for the following reason:

Where availing of salary support, we undertake to: (Please tick the following as appropriate)

 \checkmark Ensure the funding provided will be paid through supported salaries

107

✓ Provide detail of instances where our employees supported by VCD/CED funding have received any other lump sum payments to assist with the cost-of-living crisis.

In the event such payments have been made we undertake to discuss this with our Development Officer/ Programme Manager and understand that any support may be reduced commensurate with any other such support provided.

 \checkmark Ensure any underspend will be returned to VCD/CED as soon as possible.

Note: This payment could be subject to normal vouching and verification arrangements as necessary.

Commonities

DECLARATION

VCD funded organisations intent to avail of additional funding to assist with increased running costs.

The Department has listened to concerns from across the Voluntary and Community Sector (VCS) regards the cost-of-living increases and the pressures this places on organisations to maintain delivery of vital services across our communities.

The VCS plays a crucial role in assisting our most vulnerable citizens and appreciate the pressures and impact of the increasing demand for access to the range of services you as partner organisations provide.

The Department has been considering ways to help mitigate some of these pressures and has secured limited additional funding that will at least make a contribution to increased running costs.

<u>Newry, Mourne and Down District Council</u> will make / have made a payment of \pounds 1,500 to assist with increased running costs to the following organisations:

Name of Organisations

Community Advice Newry, Mourne and Down

The increases in energy costs must be to cover the period between 1 April to 30 September 2022.

We also understand that the Department for Communities is responsible for vouching and verification arrangements and have a signed declaration form the above organisations stating the above organisation(s) will -.

- undertake to ensure that the payment provided is used for this purpose and
- undertake to advise the Department of any additional support for increased running costs/energy costs they receive by 31 March 2023 from any other funder.

Signed:

Ne Nord .
