Read: **Minutes of Active and Healthy Communities Committee Meeting held on 20 April 2015 (copy circulated).**

AHC/07/2015 – Hire Charges for Private Contractors, Leisure and Community Facilities

Councillor Devlin expressed her disappointment that her comments expressing concerns about the negative impact of increases in charges for swimming and leisure activities, particularly swimming lessons, was having on families and children in the Down district, had not been recorded in the minutes.

Councillors discussed the issue of charging policies at the Council's leisure and swimming facilities at length with many expressing their disappointment at the increase in price for children to avail of swimming lessons, as well as a 25% increase in the cost of summer schemes in Down District.

Councillor McGrath said the matter of hire charges for private contractors at the Council's Leisure and Community facilities, should be brought back to the AHC Committee for further consideration.

Councillor Sharvin said he agreed fully with Councillor McGrath and agreed the matter must be reviewed.

The Chief Executive advised the only issue that can be discussed at the Meeting was the private charges at Downpatrick as the issue of the other charges had already been agreed upon by Council. He said the Council could not simply hand its premises over to private enterprise to run private lessons and if it wished to do this, an open and transparent process would need to take place so as not to leave the Council open to challenge. He advised that the ratepayer subsidised swims within each of the swimming pools, and arrangements for private companies must be cost-recovery.

Mr Moore advised Council that the cost per swim per child was £2.15 and this would remain, however the tutor would now be required to pay £4.85. He advised this model had been operating in the Newry and Mourne area with no issue, with pupils and tutors availing of 1-to-1 lessons.

Councillor McGrath proposed holding the implementation of costs for private 1-to-1 swimming lessons for a month at Downpatrick Leisure Centre until an assessment on the financial and equality impact on residents of the District could be carried out. This was seconded by Councillor Curran.

Councillor Burns called for a recorded vote on this matter.

Councillor Kimmins questioned whether the decision taken at the Active and Healthy Communities Committee regarding the cessation of swimming lessons at the end of June would be impacted upon by this proposal.

Mr Moore advised the proposal referred to the private 1-to- lessons and the group lessons would end at the end of June, based on the recommendation that came from the Committee.

The Chairperson put the matter to a recorded vote, the results of which were as follows:

FOR: 23
AGAINST: 17

The PROPOSAL was declared CARRIED.

Copy of recorded vote attached.

AGREED: It was agreed on the proposal of Councillor McGrath, seconded by Councillor Curran, to hold the implementation of costs for private 1-to-1 swimming lessons for a month in Downpatrick Leisure Centre until an assessment on the financial and equality impact on residents of the District could be carried out.

AHC/08/2015 – Fixed Call for Voluntary Contributions to Community, Sporting and Recreation Capital Schemes

Councillor Carr asked that it be recorded that £350,000 had been provided by the Shadow Council for capital schemes already in the system. He expressed his concern that an open call would jeopardise the schemes currently in the system agreed by the legacy Councils, and may create a requirement for additional funding which has not been budgeted for. He requested that these comments be recorded.

The Director of Strategy, Planning and Performance advised that Council had agreed to include £350,000 for major capital schemes known to Council at that stage. These schemes now being advertised would require substantial match funding and, as per the criteria, needed to have planning approval in place with the schemes ready to complete by 31 March 2016, and seeking between £20,000 and £100,000 in grant aid from the Council. He said therefore the number of schemes expected to be received would be fairly low, due to these conditions.

AHC/09/2015 – Service Level Agreements for Community Facilities

Councillors expressed concern that the list provided only included facilities that were currently receiving funding and said this should be available to all Associations/Clubs in the District.

The Chief Executive advised this list related only to those currently receiving funding and the purpose of the SLAs was to formalise these agreements for one year only in order to then bring forward an open and transparent policy going forward.

Councillor Fitzpatrick asked it to be noted that the Mayobridge Community Association was in receipt of this type of funding and she had confirmation from the Director, Mr M Lipsett, confirming this.

AGREED: Agreed to review the list presented by Officers to ensure completeness.

AHC/05/2015 – Establishment of Sports Association for new Council District

Councillor McAteer proposed the establishment of the Sports Association be referred back to the Committee to consider further additional representation for Councillors and increased sporting representation. This was seconded by Councillor Fitzpatrick.

Councillor Burns stated there were 2 levels and the elected Members would sit at Board level where they would be slightly better represented.

The proposal was put to a vote, the results of which were as follows:

FOR: 23
AGAINST: 13
ABSTENTION: 1

The proposal was declared CARRIED.

AGREED: It was agreed on the proposal of Councillor McAteer, seconded by Councillor Fitzpatrick, following a vote, that the establishment of a Sports Association be referred back to the Active and Healthy Committee to consider further additional representation for Councillors and increased sporting representation.

TO CONSIDER COUNCIL RESPONSE TO THE DONALDSON REPORT INTO THE GOVERNANCE OF HEALTH AND SOCIAL CARE IN NORTHERN IRELAND

Read: Consultation response dated 5 May 2015 on Donaldson Report into Governance of Health and Social Care in Northern Ireland (Copy circulated).

The Chief Executive advised that due to the importance of the Donaldson Report to both the Downe and Daisy Hill Hospitals, the consultation response has been brought to Council for consideration and agreement.

Councillor Hyland advised Donaldson had stated that local people put too much pressure on local representatives thereby clouding elected Members' judgement. He emphasised the importance of role of elected Members fully supporting the views and feelings of local people and supporting local hospitals.

Councillor Reilly said in the legacy Councils, Directors would have convened a meeting of Councillors to discuss this critical document.

The Chief Executive advised the consultation period was very short and this was the first Council meeting available to agree the response. He stated that any Councillor who wished to make their own submissions to the Consultation, should submit them and they would be appended to the corporate response.

Councillor McGrath requested an update on the forum for Health which it had previously been agreed establish.

The Chief Executive advised this was one of the key elements of Community Planning and officers would be bringing forward a paper on external issues such as this, with recommendations as to how Council could deal with these matters.

Councillor Hearty raised concerns on the holding of the DEA Meetings. He asked that Council meet with Roads Service and Housing Executive as a matter of urgency.

The Chief Executive advised that recommendations on systems and structures surrounding meetings with statutory bodies needed to be considered and agreed by the Council and he explained that proposals would be brought forward shortly on this issue.

AGREED: It was agreed on the proposal of Councillor Hyland, seconded by Councillor Reilly to endorse the corporate response on the Donaldson Report, including Councillor Hyland's point that elected Members fully support the feeling of local people to support local hospitals and append any individual Councillors comments to the consultation response. Any comments to be received by 20th May to enable submission by 22nd May.

C/31/2015

**NOTICE OF MOTION RECEIVED FROM COUNCILLORS
Ó'MUIRÍ AND COUNCILLOR KIMMINS – RIGHT TO VOTE
FOR THE PRESIDENT OF IRELAND**

“That this Council supports the overwhelming vote by the Constitutional Convention in September 2013 in favour of extending the right to vote for the President of Ireland to citizens in the North of Ireland and the diaspora, and calls on the Irish government to now set a date for a referendum during this Dáil term.”

Councillor Ó'Muirí formally proposed the motion stating there was a substantial percentage of citizens within the north of Ireland who had Irish citizenship and should therefore be able to vote in the upcoming Presidential elections. He stated it was Sinn Féin's wish to give a vote to all Irish men and women, including those who live abroad with an Irish passport.

The motion was seconded by Councillor Kimmins.

Councillors Hanna and Reilly stated the Irish Republic and the United Kingdom were two separate jurisdictions and the United Nations stated that citizens in one EU country could not vote to influence the outcome of elections in another sovereign state. It was therefore their view that the motion should be discarded.

Councillor Taylor advised the Ulster Unionist Party were opposed to the motion and would be voting against it.

The Chairperson put the motion to a recorded vote, the results of which were as follows:

FOR:	30
AGAINST:	9

The PROPOSAL was declared CARRIED.

Copy of recorded vote attached.

AGREED: It was agreed on the proposal of Councillor O’Muirí, seconded by Councillor Kimmins, following a recorded vote, that as there was a substantial percentage of citizens within the north of Ireland who had Irish citizenship and should therefore be able to vote in the upcoming Presidential elections, that it was Sinn Féin’s wish to give a vote to all Irish men and women, including those who live abroad with an Irish passport.

C/32/2015

NOTICE OF MOTION RECEIVED FROM COUNCILLOR BURNS – POLICY ON MENTAL HEALTH

“This Council understands the importance of mental health. That a policy will be drawn up to properly reflect the emotional, psychological and social well-being of our staff is paramount within the new Council. Furthermore, this Council commits to collaborative working with relevant outside partners to develop a comprehensive district-wide strategy on suicide. Finally, this Council reinforces the importance of this issue by marking World Suicide Prevention Day each year.”

Councillor Burns formally proposed the motion and stated its purpose was for Council to develop strategies to tackle mental health promotion and prevention of mental disorders and illness thereby decreasing their impact on the person, their family and the community at large. He advised the strategy should include training on how to help staff as well as marking the World Suicide Prevention Day on 10th September and World Mental Health Day on 10th October by holding open days, memorial services and conferences as well as lighting up civic buildings.

Councillor Sharvin seconded the motion stating that Council had the opportunity to lead on the issue of suicide.

Members discussed the issue at length with unanimous support for the motion being expressed by all Members and with some Councillors recounting, first hand, their very personal and traumatic experiences of suicide and its devastating impact on the wider family group, friends and communities.

At the request of Councillor P Clarke, Councillor Burns agreed to include Councillors in the wording of his Motion.

AGREED: It was agreed on the proposal of Councillor Burns, seconded by Councillor Sharvin that Council develop a policy to reflect the emotional, psychological and social well-being of staff and Councillors being paramount within the new Council and commit

to collaborative working with relevant outside partners to develop a comprehensive district-wide strategy on suicide. It was also agreed that Council mark World Suicide Prevention Day each year

C/33/2015 NOTICE OF MOTION RECEIVED FROM COUNCILLOR WALKER – NO CONFIDENCE IN CHAIRPERSON

“That this Council has no confidence and totally condemns the actions of its Chairman Cllr Naomi Bailie in wearing the chain of office at the Irish Republican Easter rising event in Newry. And by doing so she is not being representative of the whole community.”

Councillor Walker formally proposed the motion stating it was with regret that he was doing so, however he felt that the Chairperson should have thought of the hurt and stress caused to the unionist community by her attending the Irish Republican Easter Rising event and wearing the Chain of Office. He said if the Chairperson was prepared to say she got it wrong and apologise for the hurt caused, the motion did not have to go to a vote. He asked for a recorded vote on the matter.

Councillor Craig seconded the proposal stating the position of Chairperson should be apolitical , therefore the person holding this position should not attend politically charged events. He said the Chairperson had a legal obligation to promote and foster good relations. He wished the Chairperson well in her year of Office and advised she should be very diligent and careful when it came to these matters.

Members discussed the issue at length, with views both supporting the Motion and contrary views against the Motion and in support of the Chairperson being put forward.

The Chairperson advised she had been approached by Council Officers in relation to an official invitation received for this event. She said she had attended at 99% of events that she has been invited to. She explained that any other grouping’s invitation would have been dealt with in this same manner, by following all Council protocols. She advised she was sympathetic that her attendance at the event had not been received as favourably by certain sections of the community, however she would not apologise for attending the event. She said she had represented, and would continue to, represent every section of the community.

Councillor P.Clark left the meeting during the above discussions - 10.05pm.

The Chairperson put the motion to a recorded vote, the results of which were as follows:
