As recent surveys have showed there is a very high demand and also a need for both public and private housing within Crossgar. I think consideration should be given to increasing the area for housing within the draft plan strategy, to include areas on the edge of the town on the Belfast road side. In my opinion, a small alteration to the 30mph speed limit on the Belfast Road side of the town, would provide an excellent area for expansion of Crossgar. Also a slight increase of the 30mph speed limits would reduce the risk of accidents.
