1. Introduction

Newry, Mourne and Down District Council recognises the Irish language as an integral part of the heritage, identity and cultural life of the district. We have a strong, vibrant, ever increasing Irish Language community living, working, visiting and socialising in the Council area.

The Council remains committed to the objectives set out in our Bilingualism Policy and have put in place the necessary structures to ensure that the Irish language and Irish language community has a sustainable future.

Building upon our Irish Language Strategy 2017-2019, we have developed an Irish Language Strategy for the period 2020-2023 which sets out how the Council will continue to:

- increase the use of Irish language within its functions;
- facilitate the use of the Irish language when communicating with the public and relevant stakeholders; and
- promote and encourage the development of the Irish language across the Council area.

2. The strategic framework – mission, vision and values

Council's mission is twofold:

- *To mainstream the use of Irish Language in the internal administration of Council, and in its dealings with other public bodies and the community.*
- *To embed equality of opportunity standards, address barriers of access to information and services, promote the development of the Irish Language, and to give leadership in meeting the evidenced needs of existing and emerging Irish language communities within the District.*

Our Council's vision for the Irish Language Strategy 2020-2023 is:

- *To establish a sustainable environment which supports and enables the use and development of the Irish language in public, personal, economic and community life.*

In pursuing our mission, we will be guided by the five values outlined within the Council's Corporate Plan 2019-23:

- **Collaborative:** We will work in partnership with others;
- **Responsive:** We will listen and respond openly and positively to the views of everyone;
- **Engaging:** We will involve residents and staff in identifying needs and improving our services;
- **Sustainable:** We will modernise and transform our services in developing the district for current and future generations; and,
- **Transparent:** We will make our decisions and resource allocation openly and decisions will be informed by objective evidence.

3. Strategic objectives

The two strategic objectives of the Irish Language Strategy 2020-2023 are as follows:

Strategic Objective 1: To facilitate, enable and encourage the development of the Irish Language within Newry, Mourne and Down District Council and the District.

Strategic Objective 2: To effectively engage with the Irish Language Community to strengthen community capacity, encourage collaboration, co-operation and identify appropriate funding opportunities.

4. The delivery framework

4.1 The associated action plan to deliver upon the two strategic objectives sets out:

- **Positive actions:** the detail and anticipated scale of the action.
- **Performance Measures:** demonstrating how effectively the strategy is achieving its anticipated outcomes.
- **Outcomes:** what will change as a result of the proposed action.
- **Responsibility:** identifies the relevant responsibility in relation to a given action.
- **Timeframes:** when the action will be delivered.

The actions complement the Council's Corporate Plan, and Bilingualism Policy to facilitate and encourage the promotion and use of both the Irish language and the English language in the Council area through:

- Progressively realising greater access to information and services;
- Increasing Irish language community capacity, civic engagement and participation, and encouraging partnership-working;
- Improving sustainability and viability of the Irish language community sector; and,
- Developing connectivity between Irish language communities and the Statutory and Voluntary sectors;
- Appropriate budget allocation, monitoring, evaluation and review.

5. Structure and governance

Council's Irish Language Unit is responsible for implementation of the Irish Language Strategy. The Unit is part of the Corporate Policy Section of the Corporate Planning & Policy Department which is within the Council's Corporate Services Directorate

The Council's Irish Language Strategy Cross Party Working Group has a pivotal role in considering and discussing the implementation of the Irish Language Strategy. The Irish Language Strategy Cross Party Working Group does not have decision making powers, it makes recommendations only. Recommendations arising are tabled at the Council's Strategy, Policy and Resources Committee for consideration.

6. Monitoring and review
