Screening Decision

In light of your answers to the previous questions, do you feel that the policy should (please underline one):

1. **Not be subject to an EQIA (with no mitigating measures required)**
2. Not be subject to an EQIA (with mitigating measures /alternative policies)
3. Not be subject to an EQIA at this time
4. Be subject to an EQIA

If 1. or 2. (i.e. not be subject to an EQIA), please provide details of the reasons why:

The outcome of the decision is that the proposal not be subject to an equality impact assessment (with no mitigating measures required). The Neighbourhood Renewal Committee intended outcome is for the proposed development of a play park that have a positive impact through increasing opportunities for access to play for children and young people, including those with disabilities, and for people with dependents.

If 2. (i.e. not be subject to an EQIA), in what ways can identified adverse impacts attaching to the policy be mitigated or an alternative policy be introduced?

In light of these revisions, is there a need to re-screen the revised/alternative policy? Yes / No. If No, please explain why

If 3. or 4. (i.e. to conduct an EQIA), please provide details of the reasons:

Timetabling and prioritising EQIA

If 3. or 4, is the policy affected by timetables established by other relevant public authorities? NO

If YES, please provide details:

Please answer the following questions to determine priority for timetabling the EQIA. On a scale of 1-3, with 1 being the lowest priority and 3 being the highest, assess the policy in terms of its priority for EQIA.

Priority criterion	Rating
--------------------	--------

	(1-3)
Effect on equality of opportunity and good relations	
Social need	
Effect on people's daily lives	
Relevance to a public authority's functions	

Note: The Total Rating Score should be used to prioritise the policy in rank order with other policies screened in for EQIA. This list of priorities will assist you in timetabling the EQIA. Details of your EQIA timetable should be included in the quarterly Section 75 report.

Proposed date for commencing EQIA: _____

Monitoring

Effective monitoring will help identify any future adverse impacts arising from the policy which may lead you to conduct an EQIA, as well as help with future planning and policy development.

Please detail proposed monitoring arrangements below:

The implementation of the proposal will fall within the scope of the Government's 'Neighbourhood Renewal – People & Places'.
