

# Newry, Mourne and Down District Council Policy Screening Form

## Policy Information

Name of the policy	Fire Safety Management Policy
Is this an existing, revised or new policy?	New
What is it trying to achieve (aims/outcomes)	<p>Newry, Mourne and Down District Council has a duty under the Health and Safety at Work (NI) Order 1978 to ensure, so far as is reasonably practicable, the health, safety and welfare at work of their employees and others who may be affected by activities on its premises.</p> <p>The policy statement and associated Fire Safety Management Plan (Management Plan) has been developed to ensure that fire safety systems and procedures are in place to manage the risk associated with fire and to ensure compliance with relevant legislation and guidance.</p> <p>This policy applies to all premises including temporary structures such as marquees and activities falling, to any extent, under the Council's control. The Policy and associated Management Plan sets down the framework by which the Council, all employees, contractors and visitors will be expected to meet their legal duties.</p> <p>The Management Plan details the requirements and standards that must be complied with in order to reduce the risk of fire within Council premises, provide safe egress from Council property in the event of a fire and maintain compliance with all applicable health and safety legislation.</p> <p>The Management Plan provides a standardised approach for all persons who are responsible for managing workplaces, premises and facilities and work activities, thus ensuring consistency across the Council.</p>

## Additional considerations

### Multiple identity

Generally speaking, people can fall into more than one Section 75 category. Taking this into consideration, are there any potential impacts of the policy/decision on people with multiple identities? (For example; disabled minority ethnic people; disabled women; young Protestant men; and young lesbians, gay and bisexual people).

None

Provide details of data on the impact of the policy on people with multiple identities. Specify relevant Section 75 categories concerned.

### Screening Decision

In light of your answers to the previous questions, do you feel that the policy should (please underline one):

1. **Not be subject to an EQIA (with no mitigating measures required)**
2. Not be subject to an EQIA (with mitigating measures /alternative policies)
3. Not be subject to an EQIA at this time
4. Be subject to an EQIA

If 1. or 2. (i.e. not be subject to an EQIA), please provide details of the reasons why:

It is recommended the Fire Safety Management Policy not be subject to an EQIA (with no mitigating measures required).

The reason for this decision is that no specific needs, experiences and priorities for the nine Section 75 categories have been identified in relation to the policy.

If 2. (i.e. not be subject to an EQIA), in what ways can identified adverse impacts attaching to the policy be mitigated or an alternative policy be introduced?

In light of these revisions, is there a need to re-screen the revised/alternative policy? Yes / No. If No, please explain why

If 3. or 4. (i.e. to conduct an EQIA), please provide details of the reasons:

## Timetabling and prioritising EQIA

If 3. or 4, is the policy affected by timetables established by other relevant public authorities? NO

If YES, please provide details:

Please answer the following questions to determine priority for timetabling the EQIA. On a scale of 1-3, with 1 being the lowest priority and 3 being the highest, assess the policy in terms of its priority for EQIA.

Priority criterion	Rating (1-3)
Effect on equality of opportunity and good relations	
Social need	
Effect on people's daily lives	
Relevance to a public authority's functions	

Note: The Total Rating Score should be used to prioritise the policy in rank order with other policies screened in for EQIA. This list of priorities will assist you in timetabling the EQIA. Details of your EQIA timetable should be included in the quarterly Section 75 report.

Proposed date for commencing EQIA: \_\_\_\_\_

## Monitoring

Effective monitoring will help identify any future adverse impacts arising from the policy which may lead you to conduct an EQIA, as well as help with future planning and policy development.

Please detail proposed monitoring arrangements below:

The policy should be reviewed on a yearly basis, or sooner as necessary, to ensure that it remains up-to-date with accounting legislation and organisational changes etc.
