Dependants

Persons with dependents may be people who have personal responsibility for the care of a child (or children), a person with a disability, and / or a dependent older person.

There are 61,998 households in Newry, Mourne and Down, 37.5% of which have dependents. With regard to these figures, dependents are defined as those aged 0-15 years or those aged 16-18 years who are in full-time education and living with their parents or grandparents. Similar to the regional trend, the proportion of households with dependents in the District has declined from 50% in 1981 to 37.5% in 2011.

There are 5,466 lone parent households with dependent children in Newry, Mourne and Down which equates to almost 9% of number of total households in the District and is the fourth highest in Northern Ireland, after Belfast (17,036), Derry and Strabane (6,337) and Armagh, Banbridge and Craigavon (6,337). Half of the parents in lone parent household in Newry, Mourne and Down are unemployed, almost a quarter are in full time employment and over a quarter are in part time employment. 89% of the parents in lone parent households are female compared to 11% who are male.

In 2012, the teenage conception rate was 1.02 per 1,000 mothers, which is the third lowest in N.Ireland before Lisburn and Castlereagh and Fermanagh and Omagh.

Additional considerations

Multiple identity

Generally speaking, people can fall into more than one Section 75 category. Taking this into consideration, are there any potential impacts of the policy/decision on people with multiple identities? (For example; disabled minority ethnic people; disabled women; young Protestant men; and young lesbians, gay and bisexual people).

None

Provide details of data on the impact of the policy on people with multiple identities. Specify relevant Section 75 categories concerned.

Screening Decision

In light of your answers to the previous questions, do you feel that the policy should (please underline one):

- 1. Not be subject to an EQIA (with no mitigating measures required)
- 2. Not be subject to an EQIA (with mitigating measures /alternative policies)
- 3. Not be subject to an EQIA at this time
- 4. Be subject to an EQIA
- If 1. or 2. (i.e. not be subject to an EQIA), please provide details of the reasons why:

On the basis that no specific needs, experiences and priorities for the good relations categories have been identified, it is recommended the Protocol for hearing of statutory referrals to committee not be subject to an EQIA (with no mitigating measures required).

If 2. (i.e. not be subject to an EQIA), in what ways attaching to the policy be mitigated or an alternat	•
In light of these revisions, is there a need to re-so Yes / No. If No, please explain why	creen the revised/alternative policy?

If 3. or 4. (i.e. to conduct an EQIA), please provide details of the reasons:	
Timetabling and prioritising EQIA	
If 3. or 4, is the policy affected by timetables established by other relevant authorities? NO	public
If YES, please provide details:	
Please answer the following questions to determine priority for timetabling On a scale of 1-3, with 1 being the lowest priority and 3 being the highest, policy in terms of its priority for EQIA.

Monitoring

Effective monitoring will help identify any future adverse impacts arising from the policy which may lead you to conduct an EQIA, as well as help with future planning and policy development.

Please detail proposed monitoring arrangements below:

The protocol will be reviewed on a four-yearly basis, or sooner as necessary, to ensure that it remains up-to-date with legislation and organisational changes etc.
