PRESIDENT'S MESSAGE

Newry Chamber is proud to launch the Greater Newry Business Awards 2023. Newry Chamber is immensely proud of the businesses across our district who have made the region synonymous with entrepreneurship, innovation, excellent service, product quality and customer care.

I know that the energy, innovation and resilience that our local businesses exhibit will help propel our region to even bigger and better things. Sometimes in this part of the world, we don't take the time to acknowledge just how amazing and exceptional we are. That's what these awards are all about.

I would like to thank our principal sponsor, Newry, Mourne and Down District Council and all our category sponsors for their ongoing support and commitment to this biennial event.

We would encourage businesses from across our district to go to www.newrychamber.com, look at the various categories and enter for FREE. We are really looking forward to the Gala Awards Ceremony on Thursday 15th June to recognise, celebrate and reward the success of local businesses.

Julie Gibbons
President, Newry Chamber

SPONSOR'S MESSAGE

Newry, Mourne and Down District Council are delighted to be the principal sponsor of the 2023 Greater Newry Business Awards. This is a fantastic opportunity to showcase the innovative, successful and high-performing businesses that are located right across our district.

With a range of categories to enter, the 2023 Business Awards will offer recognition to a range of sectors and business approaches, which all contribute to driving forward growth and investment across the district.

These awards are only possible because of the support from local businesses. I would like to thank all the sponsors involved and Newry Chamber for once again hosting these prestigious awards.

Clr. Michael Savage
Chairperson, Newry, Mourne and Down District Council

ABOUT THE AWARDS

The Greater Newry Business Awards have become the district's premier celebration of business excellence since their inception in 2004. These prestigious awards will recognise, celebrate and reward the success of local businesses and individuals at the top of their game.

There are 23 award categories and every business located across the Newry, Mourne and Down District Council area will have the opportunity to enter up to 4 categories. The awards are now open for entries and there is a category for every type and size of business.

Newry Chamber encourages you, whether you are trading as a local independent, multi-national, manufacturer, retailer or service provider to embrace this unique opportunity to have your business recognised by entering the Greater Newry Business Awards.

It is important to ensure that you enter the categories that are most relevant to your business, showcasing its strengths and thus giving you the best chance of ultimately being successful.

Winning one of these highly coveted awards is only part of the process. The awards provide local businesses with a benchmark of quality, providing an opportunity to examine how customers view them and how they measure up against their competitors. This recognition of excellence with your industry sector also increases consumer confidence for your business.

Businesses will also benefit from enhanced profile with valuable exposure through networking and PR opportunities. Recognition of business success is a great motivator, it promotes a positive company culture which elevates employee enthusiasm and improves overall company performance.

Newry Chamber is delighted to organise these awards once again and showcase the very best of local entrepreneurship, innovation, excellent service, product quality and customer care across our district.
