Our Performance Looking Back, Going Forward

The Local Government (NI) Act 2014 sets out a general duty of improvement for local government, whereby all district councils must put in place arrangements to secure continuous improvement in the exercise of their functions.

Looking Back Assessment of Performance 2018–19

Looking Back Assessment of Performance 2018–19

Every year, we are required to publish an Assessment of Performance to demonstrate whether planned improvements have been achieved. The Assessment of Performance sets out the Council's progress in delivering the:

- Corporate Plan 2015–19
- Performance Improvement Plan 2018–19
 (including the statutory performance indicators and standards)

Our performance has been tracked against set targets and trends over time, using the legend below.

Status		Trend	
\odot	Target or objective achieved / on track to be achieved	Δ	Performance has improved since the previous year
<u>:</u>	Target or objective partially achieved / likely to be achieved / subject to delay	>	Performance is similar to the previous year
	Target or objective not achieved / unlikely to be achieved	∇	Performance has declined since the previous year
