

Online Consultation, Draft Performance Improvement Objectives 2023-24

Have Your Say on Council Performance

Newry, Mourne and Down District Council is inviting views on its Draft Performance Improvement Objectives for 2023-24.

The Local Government Act (NI) sets out a General Duty of Improvement, whereby the Council is required to make arrangements to secure continuous improvement in the exercise of its functions.

As part of this duty, the Council is also required to set performance improvement objectives for the services it provides and to have in place arrangements to achieve these objectives. The arrangements the Council has put in place to secure continuous improvement are subject to an annual Audit and Assessment by the Northern Ireland Audit Office.
