

Public Survey: Good Relations Audit and Strategy 2021-2024

Newry, Mourne and Down District Council deliver a Good Relations Programme part funded by The Executive Office (TEO) and Council.

The aim of this programme is to improve day to day relationships by reducing all forms of prejudice, promoting equality and encouraging a society in which our own cultures and traditions as well as other people's cultures and traditions are understood, respected and accepted.

Council is currently developing a Good Relations Audit and Strategy 2021-2024 to inform this Good Relations Programme. In order to ensure that the programme best meets the needs of residents within the Council area we are inviting individuals to help shape future Good Relations delivery by completing a short online survey.

You can find the survey here: <https://tinyurl.com/4fnbc6fd>

All responses are submitted in confidence. We would welcome your response and would ask that you share this with any other groups or individuals who might be interested.

The survey will close on 30 April 2021.
