Limitations
URS Infrastructure & Environment UK Limited ("URS") has prepared this Report for the sole use of ("Client") in accordance with the Agreement under which our services were performed [insert Proposal no. and date]. No other warranty, expressed or implied, is made as to the professional advice included in this Report or any other services provided by URS. This Report is confidential and may not be disclosed by the Client nor relied upon by any other party without the prior and express written agreement of URS.

The conclusions and recommendations contained in this Report are based upon information provided by others and upon the assumption that all relevant information has been provided by those parties from whom it has been requested and that such information is accurate. Information obtained by URS has not been independently verified by URS, unless otherwise stated in the Report.

The methodology adopted and the sources of information used by URS in providing its services are outlined in this Report. The work described in this Report was undertaken between [insert date] and [insert date] and is based on the conditions encountered and the information available during the said period of time. The scope of this Report and the services are accordingly factually limited by these circumstances.

Where assessments of works or costs identified in this Report are made, such assessments are based upon the information available at the time and where appropriate are subject to further investigations or information which may become available.

URS disclaim any undertaking or obligation to advise any person of any change in any matter affecting the Report, which may come or be brought to URS’ attention after the date of the Report.

Certain statements made in the Report that are not historical facts may constitute estimates, projections or other forward-looking statements and even though they are based on reasonable assumptions as of the date of the Report, such forward-looking statements by their nature involve risks and uncertainties that could cause actual results to differ materially from the results predicted. URS specifically does not guarantee or warrant any estimate or projections contained in this Report.

[Unless otherwise stated in this Report, the assessments made assume that the sites and facilities will continue to be used for their current purpose without significant changes.]

[Where field investigations are carried out, these have been restricted to a level of detail required to meet the stated objectives of the services. The results of any measurements taken may vary spatially or with time and further confirmatory measurements should be made after any significant delay in issuing this Report.]

[Costs may vary outside the ranges quoted. Whilst cost estimates are provided for individual issues in this Report these are based upon information at the time which can be incomplete. Cost estimates for such issues may therefore vary from those provided. Where costs are supplied, these estimates should be considered in aggregate only. No reliance should be made in relation to any division of aggregate costs, including in relation to any issue, site or other subdivision.]

[No allowance has been made for changes in prices or exchange rates or changes in any other conditions which may result in price fluctuations in the future. Where assessments of works or costs necessary to achieve compliance have been made, these are based upon measures which, in URS’ experience, could normally be negotiated with the relevant authorities under present legislation and enforcement practice, assuming a pro-active and reasonable approach by site management.]

[Forecast cost estimates do not include such costs associated with any negotiations, appeals or other non-technical actions associated with the agreement on measures to meet the requirements of the authorities, nor are potential business loss and interruption costs considered that may be incurred as part of any technical measures.]

1 Introduction

The Northern Ireland Rural Development Programme (NIRDP) 2007-2013 was launched to build capacity within local communities and provide support for community economic development in the most disadvantaged rural areas. The NIRDP is part financed by the European Agricultural Fund for Rural Development (EAFRD) and is managed by the Department of Agriculture and Rural Development. A core principal of the approach to broader rural development in Northern Ireland has been and continues to be that the communities which most closely experience problems should be involved in the design and delivery of projects and programmes to tackle such problems and, thus, improve their quality of life.

The NIRDP contains a number of measures under each axis. These measures are specific areas where support is to be targeted. Each measure was selected from a menu of options provided by the European Union in order to target the aspects of rural life that are most important to Northern Ireland. Measure 3.5 targets Village Renewal and Development with the aim of “creating long term visions for villages and surrounding areas and to support initiatives promoting cross-community development”.

The objective is to enable and encourage residents of villages and surrounding areas to create a vision and an integrated action plan to ensure the full potential of their area is achieved and also to support integrated village initiatives.

1.1 How is the Programme administered at a local level?

The Southern Organisation for Action in Rural areas (SOAR) is the Joint Committee and Local Action Group for the Craigavon, Armagh and Newry & Mourne Council areas. They are responsible for the administration of the NIRDP within the rural areas of Craigavon, Armagh and Newry. SOAR local action group is comprised of local Councillors and Social Partner Representatives. Craigavon Borough Council acts as the Lead Council with responsibility for all financial and administrative matters.

1.2 Village Renewal and Development

Newry and Mourne District Council secured funding under Measure 3.5 for the preparation of Village Renewal and Development Plans for 13 pre-selected villages and clusters across the Newry and Mourne District Council Area.

URS were commissioned by Newry and Mourne District Council to facilitate the development of these plans. The plans will be prepared between February and June 2012, with potentially a second stage which will involve selected projects being taken forward to the stage of submitting an outline planning application, making a submission for funding or being ready to feed into an economic appraisal.

1.3 Methodology

This Village Renewal and Development Plan has been developed by the community for the community. The methodology was strongly consultation based and allowed a range of stakeholders including NMDC, local Councillors, community and voluntary groups and the general public to get involved.
1.4 Policy Context

1.4.1 Regional Development Strategy 2035 'Building a Better Future’

The RDS provides an overarching strategic planning framework to facilitate and guide the public and private sectors. It does not redefine the other departments’ strategies but compliments them with a spatial perspective.

The RDS 2035 revises the original strategy published in 2001 and amended in 2008. The RDS influences various government strategy including the Programme for Government (PfG) and the Investment Strategy for Northern Ireland (ISNI). The Strategy takes account of key driving forces such as population growth and movement, demographic change, the increasing number of households, transportation needs, climate change and the spatial implications of divisions that still exist in our society. The RDS is not operational planning policy which is issued through Planning Policy Statements (PPSs) published by the Department of the Environment (DOE).

The RDS has a statutory basis under the Strategic Planning (Northern Ireland) Order 1999, and the Order requires Departments to “have regard to the regional development strategy”.

The Strategy has four key elements:

- A Spatial Development Strategy which divides the region into 5 components based on functions and geography;
- Guidance at two levels;
  1. Regional level that is to be applied to all parts of the region, and
  2. Specific guidance for each element of the Spatial Framework
- A Regionally Significant Economic Infrastructure section which identifies the need to consider strategic infrastructure projects;
- Implementation.

The aims of the RDS:

- Support strong, sustainable growth for the benefit of all parts of Northern Ireland;
- Strengthen Belfast as the regional economic driver and Londonderry as the principal city of the North West;
- Support our towns, villages and rural communities to maximise their potential;
- Promote development which improves the health and wellbeing of communities;
- Improve connectivity to enhance the movement of people, goods, energy and information between places;
- Protect and enhance the environment for its own sake;
- Take actions to reduce our carbon footprint and facilitate adaption to climate change; and
- Strengthen links between north and south, east and west, with Europe and the rest of the world.
Chapter 3 of the RDS sets out the strategic guidance for the region focusing on the key principles of the economy, society and the environment. The guidance is also split into Regional Guidance (RG) and Spatial Framework Guidance (SFG).

There is a dedicated section regarding Rural Northern Ireland and the key guidance is set out below:

**SFG13: Sustain rural communities living in smaller settlements and the open countryside**
- Establish the role of multi-functional town centres
- Connect rural and urban areas
- Revitalise small towns and villages
- Facilitate the development of rural industries, businesses and enterprises in appropriate locations
- Encourage sustainable and sensitive development

**SFG14: Improve accessibility for rural communities**
- Improve the overall connectivity or rural communities to services and other parts of the Region by exporting innovative ways of bringing these services to the communities
- Integrate local transport

### 1.4.2 Rural White Paper Action Plan (Draft)

The Rural White Paper Action Plan is an Executive initiative aimed at addressing key issues and challenges facing rural communities. The development of the Action Plan is being led by the Minister of Agriculture and Rural Development.

The draft Rural White Paper Action Plan has been developed following extensive consultation with the Rural White Paper Stakeholder Advisory Group.

The RWP has been developed to provide a strategic framework for rural policy for the next ten years and will help guide the work of the Executive in this significant and challenging area.

The RWP identifies the Rural Vision:

**Our vision** is of a fair and inclusive rural society where rural dwellers enjoy the same quality of life as all others in the region. We envisage **vibrant, strong rural communities**, resilient and receptive to global trends through **strong inter-linkages with urban areas** and market towns.

**Our vision** is for rural economies adapting to global trends and **improved infrastructure and transport systems** to ensure rural dwellers can avail of employment opportunities and **key services**.

**Our vision** is for rural areas that maintain their distinctive features as places of agricultural production, areas of outstanding beauty, places of social, historic and cultural uniqueness and places with a **strong community infrastructure** which can avail of **economic, social and cultural opportunities**.

**Our vision** is for the continuing development of **linkages between rural and urban areas** so that everyone can enjoy the beauty and uniqueness of rural places and the facilities and services of larger towns and cities.

**Draft Rural White Paper, p5**

In order to achieve the Vision the RWP identifies 5 key themes:

1. **Urban / Rural Linkages**
   - To support the development of an efficient transport and infrastructure system that facilitates effective rural – urban inter-linkages;

2. **Access to Services**
   - To promote fair and equitable access to key services for all rural dwellers;

3. **Sustainable Rural Communities**
   - To promote tolerance, health, well-being and inclusion for rural dwellers;
   - Seek to minimise, where it exists, disadvantage, poverty, social exclusion and inequality amongst those living in rural areas and in particularly amongst vulnerable groups;
   - To maintain a viable economic, social, cultural and physical infrastructure in rural areas and seek to ensure that regional infrastructure disparities are minimised;
   - To preserve the cultural and social uniqueness of rural community life linked to its smaller population settlement;
   - To promote the development of effective and inclusive rural governance structures and sufficient community capacity to engage in these structures;
   - To enhance and refine the Rural Development Programme to ensure the maximum benefit from future Programmes for rural communities;
4. Sustainable Rural Economies
   - To provide rural businesses with appropriate support to ensure the development of dynamic and innovative rural economies;
   - To seek to maximise employment opportunities for rural dwellers;

5. Sustainable Countryside
   - To support the development of a more sustainable agricultural sector, a more competitive agri-food sector and enhanced agri-environmental links;
   - To safeguard the beauty and fabric of our rural areas and increase opportunities for all to enjoy the benefits of the countryside.

The RWP does on to set out a detailed Action Plan which is based on the 5 key themes set out above, consisting of some 90 specific actions.

1.4.3 Tackling Rural Poverty and Social Isolation Framework 2011-2015

This framework sets out the goals, objectives, priority action areas and outcomes for the Programme for Government commitment to bring forward a package of measures to tackle rural poverty and social isolation.

The framework aims to:
   - Build on the work of the Rural Anti-Poverty / Social Inclusion Framework 2008-2011;
   - Provide the necessary tools to identify the needs of vulnerable people / groups in rural areas;
   - Develop programmes / interventions to help alleviate poverty / social isolation amongst vulnerable people / groups in rural areas;
   - Complement and add value to existing government strategies aimed at tackling poverty and social isolation;
   - Empower rural communities to help themselves.

Programmes Implemented through the 2008-2011 Framework
   1. Childcare Programme
   2. Assisted Rural Transport Scheme (ARTS)
   3. Maximising Access to Services, Benefits and Grants

4. Rural Challenge Programme
5. Rural Support
6. Rural Fuel Poverty
7. Community Development

1.4.4 Northern Ireland Rural Development Programme 2007-2013

The NI Rural Development Programme was approved by the European Commission in July 2007 and has three key elements:

Axis 1 – improving the competitiveness of the agricultural and forestry sectors by supporting restructuring, development and innovation. Key measures include vocational training, adding value to agricultural products and marketing, farm modernisation and improving the supply chain. The upskilling and reskilling opportunities in this axis are a means of targeting farmers income and potential to be more competitive both within farming, or outside if that is more appropriate.

Axis 2 – improving the environment and countryside by supporting land management. Key measures include agri-environment programmes and less favoured area compensation schemes.

Axis 3 – improving the quality of life in rural areas and encouraging the diversification of economic activity. Key measures include business creation, farm diversification, encouragement of tourism activities, support for basic services for the rural economy, village renewal and conservation / upgrading of the rural heritage.

1.4.5 INTERREG IV Programme (Cross Border Rural Development)

The INTERREG IV Programme focuses on the strategic development of the North and border counties of the South. The funds are targeted towards those disadvantaged rural communities that are most in need of cross border support.
2 Overview

Rostrevor and Killowen have been identified as a cluster within the Newry and Mourne Village renewal plan project. Although the two settlements are situated in close proximity to one and other, it is also clear that they have their own differing issues and opportunities. The ‘Rostrevor’ Cluster will provide a separate plan for each settlement as well as a separate action plan which identifies each of the future projects for the future development of the settlement.
3  Rostrevor / Killowen Profiles

3.1  Town Profile

3.1.1  Area Profile of Rostrevor - Based on 2001 Census

Rostrevor is classified as an Intermediate Settlement and has the following profile recorded in the 2001 Census.

Services

The Settlement Service Classification Report (2006) defined settlements in Bands A - G as Retail, 'Public Administration, Health and Education', Employment and Service Centres. Rostrevor is classified as the following:

- Retail Centre - No
- Public Administration, Health and Education Centre - No
- Employment Centre - No
- Service Centre - No

Demography

The population of Rostrevor on Census day (29th April 2001) was 2444 people. The demographic characteristics of the people living in Rostrevor were as follows:

- 25.7% were aged under 16 years;
- 17.8% were aged 60 and over;
- the average age was 35.8 years (NI average age 35.8 years);
- 48.7% of the population were male and 51.3% were female;
- 92.5% were from a Catholic Community Background;
- 6.1% were from a 'Protestant and Other Christian (including Christian related)' Community Background;
- 12.6% were born outside Northern Ireland; and
- 0.9% were from an ethnic group other than white.

On Census Day 2001 there were 894 households in Rostrevor. Statistics relating to Rostrevor households include:

3.1.2  Ward Information for Rostrevor ward 95VV23

Profile last updated October 2011.

This page provides information on residents in Rostrevor ward. Click on theme titles below to obtain an area profile for that subject. The datasets used are shown below in each section and are actively linked to the Data Catalogue spreadsheets. Click on the blue tabs at the top to see results for other geographical levels.

Rostrevor ward lies in the following administrative areas:

- Newry & Mourne Local Government District;
- South Down Parliamentary Constituency (1992 Boundaries - See Assembly Area tab for further information);
- South Down Assembly Area 2011/ Westminster Parliamentary Constituency 2008;
- Southern Health and Social Care Trust; and
- Southern Education and Library Board.

Neighbouring ward(s): Lisnacree, Spelga. Rostrevor ward is classified as Rural according to the Inter-Departmental Urban-Rural Definition Group.

The nearest hospital to Rostrevor ward (as the crow flies) is Daisy Hill Hospital.

3.1.2.1  Demography

On Census Day 29th April 2001 the resident population of Rostrevor ward was 2611. Of this population:

- 24.5% were under 16 years old and 19.1% were aged 60 and over;
- 49.7% of the population were male and 50.3% were female;
- 90.1% were from a Catholic community background and 8.8% were from a 'Protestant and Other Christian (including Christian related)' community background;
32.3% of persons aged 16 and over were single (never married);
36.8 years was the average age of the population; and
the population density was 0.8 persons per hectare.

3.1.2.2 Deprivation - NIMDM 2010

The Northern Ireland Multiple Deprivation Measure 2010 (NIMDM 2010) report was published in May 2010. The report identifies small area concentrations of multiple deprivation across Northern Ireland. The results for Rostrevor ward are shown below.

On the Multiple Deprivation Measure ward level summary Rostrevor ward has an overall rank of 325 out of 582 wards. All wards in Northern Ireland are ranked, 1 being the most deprived (Whiterock in Belfast) and 582 the least deprived (Wallace Park in Lisburn). Wards with ranks of 58 or lower are in the top 10% most deprived wards in Northern Ireland, this means Rostrevor, with a rank of 325, is outside the top 10% most deprived wards. Rostrevor ward's rank of 325 places it in the 50% to 60% band.

Rostrevor ward lies in Newry & Mourne LGD, which has 30 wards with ranks from 36 (Ballybot) to 480 (Burren and Kilbroney).

All information for Rostrevor ward is shown in the table below. On the income domain Rostrevor ward is ranked 290, while on the employment domain it is ranked 297. Looking at proximity to services Rostrevor ward is ranked 183.
### Employment Domain
- 297

### Health Deprivation and Disability Domain

**Rostrevor Listed Buildings**
3.3 Banbridge / Newry and Mourne Area Plan 2015
District Proposals: Rostrevor

Rostrevor is the largest village in the Plan Area. It is located on the A2 Coast Road, 13 kilometres South East of Newry. The village lies within the Mournes Area of Outstanding Natural Beauty (AONB) at the foot of the heavily wooded slopes where the Kilbroney, Rostrevor and Ghant Rivers flow into Carlingford Lough. The development of the village is characterised by a number of large listed dwellings set in a series of sizeable planned landscapes, a feature that also characterises the shoreline between Rostrevor and Warrenpoint. This character has been recognised by the designation of a Conservation Area, centred on The Square.

In the 20th century, the village experienced significant growth with suburban development mainly spreading in a northeasterly direction from the historic village core along Kilbroney/Newtown Road. During the previous plan period development consisted of a mix of housing types and included private sector and NIHE developments. However, since the late 1990’s new development has concentrated on the apartment sector of the market with new apartments being built along the shore at Warrenpoint/Shore Road, Greenpark Road, The Square and Kilbroney Road.

Rostrevor provides a significant range of facilities that service the local community. The main focus for commercial activity is in The Square and along Bridge Street, ranging from small grocery shops, to professional services such as estate agents, insurance brokers and chiropodists. It provides a variety of pubs, restaurants and takeaways as well as barbers, beauty salons and bookmakers. The local area is strengthened by a number of community facilities, including a Post Office, a Community Association Office and the Kilbroney Centre. There are a number of churches of different denominations and it is also served by three primary schools.

There is a wide range of open space/recreation areas. These include Kilbroney Park with a path along Fairy Glen, a playing field at Greenpark Road and a playground at Newtown Villas and Carrickbawn Park. The impressive landscape that surrounds Rostrevor provides many opportunities for tourism, with the Rostrevor Forest providing an information centre, play areas and caravan parks in close proximity to the village.

The settlement development limit is designated to take account of land with extant planning permission for housing and sites that have not yet been approved but which are at a stage in the planning application process where there is a reasonable expectation that planning approval will be granted. The settlement development limit also takes account of the role of the settlement whilst protecting its natural setting. In this regard the previous development limit is amended to protect important features and landscapes. Where appropriate, the limit provides opportunity for quality development but the growth of the settlement is constrained by its coastal setting and the steep slopes of the mountains to the east and north.

3.4 Housing

3.4.1 Social Housing

The Housing Needs Assessment has identified a social housing need of 36 dwellings in Rostrevor. The following sites have been identified in whole or in part to meet this social housing need.

<table>
<thead>
<tr>
<th>Site Reference</th>

<td>28</td>
</tr>
</tbody>
</table>

Total number of social dwellings 36

Details of the social housing allocation and associated methodology are contained in the Population and Housing Technical Supplement.

3.4.2 Housing Zonings

The following sites, including committed sites, are zoned for housing. Policy for the control of development on zoned sites is contained in Policy SMT 2 in Volume 1 of the Plan. Zoned land will be developed in accordance with all prevailing regional planning policy and with any relevant Plan Policies and Proposals including, where specified, key site requirements.

The plan does not stipulate key site requirements for committed sites because future development will be subject to the conditions attached to planning permission. However, in the event that such permission may lapse Planning Service may alter existing conditions or attach new conditions to any subsequent approval to take account of prevailing regional planning policy and the Plan Proposals.

</tr>
</thead>
<tbody>
<tr>
<td>1.27 hectares to the west of Shore Road are zoned for housing as identified on Map No. 3/19 – Rostrevor.</td>
</tr>
</tbody>
</table>

Full planning permission has been granted for housing development on this site. This development is ongoing.

<table>
<thead>
<tr>
<th>Zoning RR 03 Housing Greenpark Road</th>
</tr>
</thead>
<tbody>
<tr>
<td>0.73 hectares of land to the east of Greenpark Road are zoned for housing as identified on Map No. 3/19 – Rostrevor.</td>
</tr>
</tbody>
</table>

Key Site Requirements:

- A minimum of 8 dwellings shall be provided for social housing;
- Housing development shall be between a minimum gross density of 20 dwellings per hectare and a maximum gross density of 25 dwellings per hectare;
- The development layout shall ensure that dwellings do not back onto Greenpark Road;
- Development shall not intrude onto the sloping land to the rear where the natural slope and vegetation shall be retained;
- Access shall be from Greenpark Road.
Zoning RR O4 Housing Warrenpoint Road

2.67 hectares of land to the rear of Nos. 45 – 53 Warrenpoint Road are zoned for housing as identified on Map No. 3/19 – Rostrevor.

Key Site Requirements:

- A minimum of 28 dwellings shall be provided for social housing;
- Housing development shall be between a minimum gross density of 20 dwellings per hectare and a maximum gross density of 25 dwellings per hectare;
- The natural vegetation on the site boundaries and in particular adjacent to Ross Monument shall be protected;
- Access shall be from Warrenpoint Road. Alternative access provision to serve properties adjacent to the proposed access shall be provided;
- It will be necessary that land outside the site is made available in order to meet access and sightline requirements.

3.5 Education

The following site is zoned for education use. Policy for the control of development on zoned sites is contained in Policy SMT 2 in Volume 1 of the Plan.

Zoning RR 05 Education Church Street

0.7 hectares are zoned for education as identified on Map No. 3/19 - Rostrevor.
There are proposals to build a new primary school on this site to replace St. Mary's Boys and the Convent of Mercy primaries.

3.6 Public Services and Utilities

3.6.1 Cemetery

The following site RR 06 is zoned for cemetery use. Policy for the control of development on zoned sites is contained in SMT 2 in Volume 1 of the Plan. Zoned land will be developed in accordance with all prevailing regional planning policy and with any relevant Plan Policies and Proposals.

Zoning RR 06 Cemetery Kilbroney

1.77 hectares of land at Kilbroney Road are zoned for cemetery use as identified on Map No. 3/19 – Rostrevor.

Newry and Mourne District Council propose to provide further cemetery land to the south of the existing cemetery at Kilbroney Road.

3.7 Environment and Conservation

3.7.1 Conservation Area

Rostrevor Conservation Area was designated in 1979. It is identified for information on Map No. 3/19 - Rostrevor.

Development proposals within the Conservation Area will be assessed in accordance with prevailing regional policy and with the design guidance contained in the booklet Rostrevor Conservation Area (DOE (NI)), February 1979.

3.7.2 Areas of Townscape Character (ATCs)

The following areas are designated as ATCs. Policy for the control of development within ATCs is contained in the Addendum to PPS 6 – Area of Townscape Character.

Designation RR 07 Area of Townscape Character Warrenpoint Road

An ATC is designated as identified on Map No. 3/19 – Rostrevor. The architectural and historical character is such that this area would merit Conservation Area status.

Key features of the area, which will be taken into account when assessing development proposals, are as follows:

- The listed Presbyterian Church, a striking building with contrasting stonework is set behind iron railings on a smooth plaster plinth. It has gothic style windows and a clock over the entrance door;
- Beside the Presbyterian Church, is the listed Trevor Lodge building, a terrace of two-storey houses with slated roofs, Georgian style windows, metal railings and a mix of a smooth plaster/quoins and dash finish;
- At the junction of Shore Road/Warrenpoint Road is the old terminus used in connection with the horse drawn Warrenpoint/ Rostrevor tram. The terminus is a single storey building with a slated roof and blue and yellow painted plaster finish;
- Carrickbawn, Carrickbawn Wood and Kilbroney Grassland providing local wildlife habitat and nature conservation interest;
- Parts of the Ghann River SLNCI and Rostrevor SLNCI;
- Shoreline.

Designation RR 08 Area of Townscape Character Victoria Square

An ATC is designated as identified on Map No. 3/19 – Rostrevor. The architectural and historical character is such that this area would merit Conservation Area status.

Key features of the area, which will be taken into account when assessing development proposals, are as follows:

- The Rostrevor River, Shore Road and Cloughmore Roads bound this Area of Townscape Character. This triangle includes Victoria Square, the Shore Road Villas, Glenview and Killowen Terraces and other interspersed houses of quality. The northern edge of the triangle is marked by the listed Bridge Street bridge that crosses the
3.7.3 Historic Parks, Gardens and Demesnes

Rostrevor House, Green Park, Fairy Hill and The Lodge (Kilbroney) are designated as Historic Park, Garden and Demesnes under Plan Proposal NC 14 as indicated on Map No. 3/19 - Rostrevor. Policy for the protection of Historic Parks, Gardens and Demesnes is contained in PPS 6 - Planning, Archaeology and the Built Heritage.

3.7.4 Area of Archaeological Potential (AAP)

An AAP is defined in Rostrevor as indicated on Map No. 3/19 - Rostrevor. Policy for the protection of archaeological remains is contained in PPS 6 - Planning, Archaeology and the Built Heritage.

3.7.5 Area of Outstanding Natural Beauty (AONB)

Rostrevor is located within the Ring of Gullion AONB as identified on Map No. 3/19 - Rostrevor. The AONB was designated in 1986 under the Nature Conservation and Amenity Lands Order (Northern Ireland) 1985 in recognition of its exceptional scenic quality.

3.7.6 Local Landscape Policy Area (LLPA)

The following area is designated as a LLPA. Policy for the control of development within LLPAs is contained in Policy CVN 4 in Volume 1 of the Plan.

Designation RR 09 Local Landscape Policy Area Rostrevor

A LLPA is designated as identified on Map No. 3/19 – Rostrevor. Those features and areas that contribute to the environmental quality, integrity or character of these areas are listed as the following:

- Monuments and their surroundings including Ross’s Monument and raths. They provide local archaeological and historical interest with associated views and setting;
- The following listed and locally significant buildings with associated views and settings provide historical interest - Green Park, St. Bronagh’s Well, church ruins and graveyard, the Gate Lodge, Forestbrook, Kilbroney House, Benvue, Kilbroney Vicarage, Star of the Sea, Fairy Hill, Carpenham, Our Lady of Apostles Missionary Convent and St Bronach’s (C of I) and Drumseek House;
- The Kilbroney, Rostrevor and Ghann river corridors including associated mature vegetation providing local wildlife habitats and nature conservation interest;
- The hills and woodland surrounding the settlement including that inside the Kilbroney Park.

3.8 Transportation

3.8.1 Protected Route

The A2 is a Protected Route as indicated on Map No. 3/19 – Rostrevor. Policy for the control of access to this route is contained in Policy AMP 3 of PPS 3 - Access, Movement and Parking.

### 3.14 SWOT Analysis – Rostrevor/ Killowen

**STRENGTHS**
- Tourism potential of the area.
- Fiddlers Green Festival

**WEAKNESSES**
- In Killowen – Overhead cables which run across the village and street lighting was never put in.
- Rostrevor – Lack of accommodation for tourists.
- Appearance of the village – Some bland and derelict units in highly visual locations.
- Stone wall which is painted at the bottom of the town is a poor advert for Rostrevor.
- Ranfurly House is in urgent need of work.

**OPPORTUNITIES**
- A hotel – 100 people stay in the village for the Fiddlers Green festival. This could be built upon.
- False fronts on derelict units – painting scheme.
- Completion of EI scheme in the Square.
- Church Street derelict units need to be improved.
- Overflow car park behind the Rostrevor Youth Centre could be resurfaced.
- Traffic calming on Water Street.
- Killowen – A picnic area along the shore area & Street lighting.

**THREATS**
- Economic downturn
- Dereliction
- Lack of Affordable housing
- Potential for apathy if money does not come forward from SOAR.

### 3.13 Consultation Findings

#### 3.13.1 Information Gathering Stage

The SWOT Analysis below is a summary of the information gained during the early information gathering stage. The strengths, weaknesses, opportunities and threats were identified during the initial consultation workshops and the initial questionnaire which was circulated throughout the community. The questionnaire addressed a range of factors, focusing on 3 general themes of Planning and Infrastructure, Essential Services and Economic and Community Development.

An introductory meeting was held on Tuesday 14th March with a range of stakeholders in order to gain an understanding of the main community issues.

### 3.15 Rostrevor Vision

A high quality environment, with minimal dereliction, attractive to its community and tourists alike; Rostrevor will have accommodation to cater for tourists and facilities and events for them to enjoy making the village a stop off point for tourists and families visiting the area.
3.16 Rostrevor Plan
3.16.1 Draft Proposals

The draft Rostrevor and Killowen Village plans were put on public display in Rostrevor Community centre for a two week period from Monday 30th April until Friday 11th May 2012. In order to gain further feedback from the public a second questionnaire was available asking the community to comment on proposals as well as prioritise them.

The initial information gathering questionnaires returned a total of 27 questionnaires and the second questionnaire returned a total of 3 questionnaires for Rostrevor and 5 for Killowen, from a mixture of members of community groups and members of the public. The response rate on the second set of questionnaires was low for Rostrevor but positive. The responses for Killowen were extremely negative towards the proposed picnic areas and viewing points. Residents were very clear that they were not in favour of the proposals as they live on a private road. As a result of this feedback the picnic area proposals were dropped from the final Killowen plan.

The questionnaire also encouraged people to rank the projects and proposals in order of importance to help establish the key priorities. Clearly different members of the community have different opinions on what they feel are priorities for their area, however there are also key issues which people are clearly agreed upon. The Rostrevor Community Association see the refurbishment of Ranfurly House as their priority project for the Village, however there is also support for a tourist Information centre, a traffic calming scheme, façade improvements to derelict buildings and Environmental Improvement scheme in The Square. In Killowen the residents did not prioritise projects but objected strongly to the picnic area proposal.
3.17 Initiatives

3.17.1 Refurbishment of Ranfurly House

Ranfurly House is a prominent building within Rostrevor which is currently derelict and in need of repair. Situated within the conservation area the building should be redeveloped in line with prevailing policy, respecting the current form and appearance of the building and its surroundings. Rostrevor and District Community Association in partnership with St Bronagh’s GAA have prioritise the refurbishment and regeneration of Ranfurly House as the number one priority project for Rostrevor. Their proposal is to provide self catering accommodation for tourists. This proposal is supported by current and planned projects for the area which seek to increase the number of tourists visiting Rostrevor. The construction of the new Mountain Bike Trails, the Narnia Trail, the establishment of the Mournes as part of the Geo Tourism initiative by Louth and Newry and Mourne Councils as well as the potential for the Mournes to be designated as a National Park all indicate this should be a self sustaining and economically viable project which would bring an important building within the Village back into use. In addition to Ranfurly House the area of ground to the rear offers the opportunity to be used as a formal car park, not only for the new facility but for Rostrevor as a whole.
3.17.2 Square Environmental Improvement Scheme

There is strong community support for an updated environmental Improvement scheme at the Square. The previous scheme is now in need of upgrading and was never fully implemented. This proposal would compliment the redevelopment of Ranfurly House to create a reinvigorated core in Rostrevor. This space overlooked by the Church of Ireland has further potential as a high quality, pedestrian friendly space where locals and tourists can meet and spend time. Surrounding properties and shops can be revitalised around the space, encouraging owners to invest in the aesthetics of their properties.

3.17.3 New Gaelic pitch – Kilbroney Park

St Bronaghs GAA has a requirement for additional playing facilities in Rostrevor. The club ability to grow and develop means they now need a new pitch. A potential location for this new facility could be within Kilbroney Park. This location was proposed a number of years ago but opposition meant it was never delivered. This location as well as other potential locations should be investigated further.

- DOE = Department of Environment
- DRD = Department for Regional Development – Street Lighting
- RDCA = Rostrevor and District Community Association

*Projects which have been identified by the community as a High Priority are outlined in more detail in the Initiatives section of this report.*
3.21 Conclusion

The Rostrevor and Killowen are situated in a stunning natural setting. This setting offers major opportunities for tourism, which will benefit the local economy. The construction of Mountain Bike Trails and the Narnia trail in Kilbroney Park coupled with the potential for National Park status for the Mournes will bring additional visitors to the area. Rostrevor in particular should be in a position to capture some of these tourists. The availability of accommodation within an attractive village, much of which is a conservation area and the availability of places to eat and drink should ensure Rostrevor has further potential as a tourist destination.

It is important that the villages make the most of their surrounds and buildings, ensuring that they are well kept and in keeping with conservation area policies. The buildings within Rostrevor are of a high quality but some are now vacant and in need of investment. Investment in shop frontage improvements within Rostrevor would be an excellent use of money in helping to show case the village's conservation area status.
4 Appendix

4.1 Newry Villages Community Questionnaire

ROSTREVOR / KILLOWEN

Northern Ireland Rural Development Programme 2007 - 2013

Introduction

The Northern Ireland Rural Development Programme (NIRDP) 2007-2013 was launched to build capacity within local communities and provide support for community economic development in the most disadvantaged rural areas. The NIRDP is part financed by the European Agricultural Fund for Rural Development (EAFRD) and is managed by the Department of Agriculture and Rural Development. A core principal of the approach to broader rural development in Northern Ireland has been and continues to be that the communities which most closely experience problems should be involved in the design and delivery of projects and programmes to tackle such problems and, thus, improve their quality of life.

The NIRDP contains a number of measures under each axis. These measures are specific areas where support is to be targeted. Each measure was selected from a menu of options provided by the European Union in order to target the aspects of rural life that are most important to Northern Ireland. Measure 3.5 targets Village Renewal and Development with the aim of “creating long term visions for villages and surrounding areas and to support initiatives promoting cross-community development”.

The objective is to enable and encourage residents of villages and surrounding areas to create a vision and an integrated action plan to ensure the full potential of their area is achieved and also to support integrated village initiatives.

How is the Programme administered at a local level?

The Southern Organisation for Action in Rural areas (SOAR) is the Joint Committee and Local Action Group for the Craigavon, Armagh and Newry & Mourne Council areas. They are responsible for the administration of the NIRDP within the rural areas of Craigavon, Armagh and Newry. SOAR local action group is comprised of local Councillors and Social Partner Representatives. Craigavon Borough Council acts as the Lead Council with responsibility for all financial and administrative matters.

Renewal and Development Plans for NMDC Villages

Newry and Mourne District Council have secured funding under Measure 3.5 for the preparation of Integrated Village Plans for 13 pre-selected villages and clusters across the Newry and Mourne District Council Area.

URS were employed by Newry and Mourne District Council to facilitate the development of these plans. The plans will be prepared between February and June 2012, with potentially a second stage which will involve selected projects being taken forward to the stage of submitting an outline planning application, making a submission for funding or being ready to feed into an economic appraisal.

Questionnaire

This questionnaire will help us establish the key strengths and weaknesses of your settlement. Please take a few minutes to fill it in as best you can and please give us as much information as possible.

Many thanks!

Settlement: ROSTREVOR / KILLOWEN

(Please highlight which settlement you are addressing)

1. What is your interest?  Business Community Group Individual

Section 1 – Planning and Infrastructure

2. Please indicate which of the following issues are of concern or interest to your group:

<table>
<thead>
<tr>
<th>ISSUE</th>
<th>Major Concern</th>
<th>Some Concern</th>
<th>No Concern</th>
</tr>
</thead>
<tbody>
<tr>
<td>Traffic congestion/ Speeding through traffic</td>
<td>8</td>
<td>8</td>

If you indicated that you have concerns about any of the above issues please expand on your answers below or on a separate sheet:

- Parking an issue
- Local housing for local people
- Speeding along Shore Road, Greenpark Road
- Parking on footpaths in the Square
- Corner of Warrenpoint Rd and Shore Rd
- Derelict shops on Main Rd
- High property prices – Affordable housing for new home owners
- Speeding along Chapel Hill
- Ramps on Cloughmore Road ineffective
- Increased traffic causing structural problems
3. Are there any development opportunity sites (i.e. sites or buildings which are derelict, or underused/vacant land, or something that may be described as an ‘eyesore’) within the village that you are aware of? If yes, where and what would you like to see developed?

- Building on corner of Ranfurly
- Corner of Shore Road and Mary St beside GAA
- Church St close to Kilbroney Bar
- Church St beside computer shop
- Redevelopment of community centre
- Refurb of convent Primary School
- Car park to rear of GAA underused
- Former Girls Primary School underused
- Former Celtic Fjord restaurant vacant
- Pumping Station on Shore Rd
- Lack of maintenance on verges on approach roads
- Numerous sites in the Square.

Section 2 – Essential Services (Please expand on answers if possible)

4. Please indicate which of the following issues are of concern or interest to your group:

<table>
<thead>
<tr>
<th>ISSUE</th>
<th>Major Concern</th>
<th>Some Concern</th>

<td>1</td>
<td>8</td>
<td>7</td>
</tr>
</tbody>
</table>

5. What services are you aware of and are you happy in general with the range of services currently provided?

- Diverse shopping would enhance village
- Very few public services
- Local healthcare is good
- Post Office is essential
- Cash dispenser is good
- Hardware and Haberdashery stores required.
- Public transport good
- No bank
- No Library
- Market
- Play area closer to the village.
- Community Centre
- Unhappy with clinic and services

Section 3 - Economic and Community Development – (Please expand on answers if possible)

6. What other facilities or services do you feel should be provided for the village?

- Skate Park for teenagers
- Better kept toilets
- Provision for an Antique shop
- A bank
- Tourist Information Centre
- A Restaurant
- Adult evening classes
- Hotel
- Allotments
- Community Hall
- Swimming Pool – outdoor saltwater pool
- A Gym

7. Are there any attractions which you feel could be developed for tourists or for use by local people?

- Good quality sports facilities
- C S Lewis connections
- More paths, bins and signage
- Satisfactory promotion of AONB
8. Are there any features or assets within your village which you feel should be actively conserved?

- Kilbronon Park
- The Square
- History and Culture not adequately promoted by NMDC or NITB.
- CS Lewis Narnia trails
- Provision for tea shop?
- Front Shore needs developed and made user friendly.
- All old buildings
- Oak Wood – extended
- Fairey Glenn
- Crag, Knotty Ash and Kilbroney Cemeteries
- Ranfurley House
- Trees, Flower baskets

9. Are there good small business opportunities?

- Very few
- Additional quality restaurant to replace several take-aways.
- Creation of business units in former girls ps.
- Development of back office/call centre jobs
- Locally based forest products business opportunities
- Opportunity to set up a farm shop
- Rents are deemed to expensive

10. Are there sufficient facilities available to local community groups and are they well used?

- Not really – need for a community facility
- St Bronaghs is inadequate and should be replaced with community centre.
- GAA, Lecture Hall, Harmony Hall, Pres Hall all well used.

11. Are there regular or well known community events or festivals? If not, what would you like to see?

- Rostrevor festival
- Fiddlers Green Festival
- Additional funding needed for small one day events.
- Like to see Irish Literacy Festival, Drama festival
The police are involved in initiatives to cut crime | 2 | 9 | 5
--- | --- | --- | ---
There are distinct and well used car parks | 3 | 7 | 9
--- | --- | --- | ---
Building fronts and facades are well looked after |  | 5 | 8
--- | --- | --- | ---
The village has a vibrant atmosphere | 1 | 8 | 6
--- | --- | --- | ---
There is sufficient street lighting | 2 | 15 | 2
--- | --- | --- | ---
The village is safe to walk around at all times | 2 | 6 | 6
--- | --- | --- | ---

If you wish to expand on your answers to any of these statements please do so below or on a separate sheet:

- Shopkeepers should be discouraged from putting bins on the road outside premises. It is encouraging double parking which is dangerous.
- Dangerous trying to cross road at corner of Warrenpoint Rd and Shore Rd.
- Signage needs renewed
- Litter a problem outside shops
- Dog Excrement on pavements
- All day parking in Square
- Fly posters and cable tags not removed.
- Public Rights of Way not looked after.
- Shop fronts needs refurbished.
- Ramps not needed in village but could be introduced near integrated school.
