

Transport Employment Academy

The Transport Employment Academy provides all the required training and testing to enable participants to acquire a Category C (Class 2) or Category C+E (Class 1) or PCV licence to enable them to begin a career as a professional driver.

We work with employers to ensure that participants are offered an interview for an appropriate role when they successfully acquire their licence.

Selection Process

Places are limited and to progress to the selection process, potential candidates must:

- Reside within the Newry, Mourne and Down District Council Area
- Be unemployed, under-employed (typically working less than 16 hrs) or at risk of redundancy at the time of application
- Hold a full, clean, current UK Driving Licence – candidates must have held a full UK Driving Licence for at least 2 years. Both the plastic card and paper counterpart will be required to obtain the necessary provisional entitlement to commence training
- Be willing and able to undertake a medical exam
- Be willing to undertake an Access NI Check relevant for a Bus Driving position only
- Be committed and available to complete all required aspects of the Academy including appointments for medicals, theory test classes, lessons, tests and interviews
- Be available to take up appropriate employment within the Transport sector

To address the gender imbalance within the transport sector we particularly welcome applications from women.
