

Transport Employment Academy

The Transport Employment Academy provides all the required training and testing to enable participants to acquire a Category C (Class 2) or Category C+E (Class 1) or PCV license to enable them to begin a career as a professional driver.

We work with employers to ensure that participants are offered an interview for an appropriate role when they successfully acquire their license.

Selection Process

Places are limited and to progress to the selection process, potential candidates must:

- Reside within the Newry, Mourne and Down District Council Area
- Be unemployed, under-employed (typically working less than 16 hours) or at risk of redundancy at the time of application
- Hold a full, clean, current UK Driving License – candidates must have held a full UK Driving License for at least 2 years. Both the plastic card and paper counterpart will be required to obtain the necessary provisional entitlement to commence training
- Be willing and able to undertake a medical exam
- Be committed and available to complete all required aspects of the Academy including appointments for medicals, theory test classes, lessons, tests and interviews
- Be committed to taking up appropriate employment within the Transport sector
- Be willing to undertake an Access NI Check relevant for a Bus Driving position only

To address the gender imbalance within the transport sector we particularly welcome applications from women.

The delivery agent for this academy is Workforce Training Services. If you are interested in finding out more, please email: info@workforceonline.org

Call For Employers

Local businesses are encouraged to get involved with this exciting opportunity to upskill and grow your workforce. We are keen to hear from Newry, Mourne and Down employers who anticipate recruiting **Category C (Class 2) or Category C+E (Class 1) or PCV licence drivers** this year and wish to work with us to help address their recruitment needs.

Employer Benefits
