

Update 01.04.2020 Covid-19 - Launch of Community Support Hub

We want to make you aware of plans to help reach those in the district who need our help the most.

We have been working with our colleagues across Local Government, the Health Trusts and the Department for Communities and are ready to launch a Community Support Hub.

Our staff will be partnering with these statutory bodies during the process and linking in with community groups, church organisations, sports clubs and other volunteer groups.

We want to make sure no-one feels alone at this difficult time.

We are currently finalising the details and will share more information with you as soon as possible.
