

## **Update 07.05.2020 Priority Online Shopping Slots**

If you have been advised to shield (stay at home for 12 weeks) by a medical professional and have no other support to help with shopping, you can register for a priority online slot with Asda, Iceland, Sainsbury's and Tesco.

Your details will be shared with the Health and Social Care Board who will check you are on the shielding list before your name is passed to the four supermarkets.

Supermarkets will contact you directly to offer a priority slot.

Due to high demand for this service, there is no guarantee that you will be offered a slot.
