

Update 26.03.2020 Council Operated Harbours, Marinas, Pontoons and Mooring Facilities

We have closed the following Council-operated water-based facilities with immediate effect until further notice: Newcastle Harbour, Killyleagh Harbour, Killough Harbour, Annalong Harbour, Warrenpoint Pontoon, Camlough Lake Slipway and Albert Basin.

Members of the public should not visit or try to enter these sites and boat owners will not be permitted entry to these facilities at this time.

The closure of these facilities is part of the Council's ongoing coronavirus response and will be reviewed on an ongoing basis in line with guidance from the Public Health Agency (PHA).

We appeal to residents to follow PHA advice and thank you for your co-operation at this time.
