

Update 27.03.2020 Important Public Notice- Immediate Closure of All Household Recycling Centres

Our Household Recycling Centres across the district will be closing from 5pm this evening until further notice.

This decision will free up resources needed to maintain domestic refuse collection services and help ensure compliance with government social distancing guidance. Please store your recyclable items at home until we re-open. Fly-tipping outside Household Recycling Centres is prohibited and CCTV remains in operation.

If you have any queries, please contact us at recycling@nmandd.org and we will endeavour to respond to you as quickly as we can.

Please also monitor the Council's website and social media channels to be kept informed of further updates regarding the provision of services.
