- answer the five competition questions and place the completed sheet in the competition answer box located at the site.

Who can enter?

- The competition is open to pupils in Primary Schools in the Downpatrick DEA.
- Only one entry per pupil is allowed.
- Only entries posted in the answer box provided on site will be included in the prize draw.

Prizes

All correct answers will be placed in the draw to win one of four prizes. We have two **Fitbit Aces** and two **Kindle e readers**, kindly sponsored by the European Recycling Platform, up for grabs.

All winners' schools will be contacted week commencing 18 November 2019 and the winning pupils invited to attend a prizegiving on a date to be confirmed.

When you visit the site we would encourage you to bring along something to recycle. Our competition sponsors, the European Recycling Platform, promote the recycling of Waste Electrical and Electronic Equipment. So if you have some waste batteries or a small electrical item bring them along to recycle on site.

Simply circle the answer to questions 1-4 (all the answers can be found as you tour the site). Please also tell us in question 5 if you recycled anything at the site during your visit. **Good Luck!**

Purpose:

Newry, Mourne and Down District Council (NMDDC) is collecting the information on this competition answer sheet to enable it to run the Downpatrick Household Recycling Centre Schools' Competition.

Legal basis for processing:

The legal basis we rely on to process your personal data is article 6(1)(f) of the General Data Protection Regulation. This article allows us to process personal data when its necessary for the purposes of our legitimate interests, which in this case is the promotion and/or protection of environmental matters.

What we need:

We need every pupil who is taking part in the competition to visit the site, accompanied by a parent / guardian or a responsible adult, and to bring this sheet with them. Pupils should complete their contact details, to include their name, school name, post code (if known) and class, as well as answer the five competition questions posed.

Why we need it:

We need the pupil's name, school name, post code (if known) and class so that we can contact their school if they are one of the winners in the competition. Winning pupils will be invited to attend a prizegiving at a date to be confirmed.

We need the pupils' answer sheet so that it can be included in the competition draw.

What we do with it:

We will include every correct answer sheet in the competition draw. We will draw the winners before 29 November 2019 and will contact the winners' school to inform them that their pupil is a winner.

How long we keep it:

We will keep the entries until the Competition ends on 29 November 2019 and the winning entries have been drawn. Once the winners have been drawn all other entries will be destroyed.

We will retain the winners' personal data until 31 December 2019 at which time it will be disposed of in accordance with NMDDC's disposal policy.

What are your rights:

You have the right to request access to the personal data that we hold about you.

You have the right to ask for your personal data to be rectified, or to restrict the way in which we process it.

You have the right to object to our processing of your personal data. There are legitimate reasons why we may refuse your objection, which depend on why we are processing it.

You have the right to ask us to erase your personal information in certain circumstances.

You have the right to complain to the Information Commissioners Officer if you are unhappy with the way in which we have processed your personal data.

If you wish to make a Subject Access Request or if you have queries about access to your information please contact the Data Protection Officer for Newry, Mourne and Down District Council via info@nmandd.org or 0300 013 2233.

Do we use any data processor:

We do not use any data processor for the purposes of the Downpatrick Household Recycling Centre Schools' Competition nor do we share data with any third party. Any specific requests from a third party for us to share your personal data with them will be dealt with in accordance with the provisions of the data protection laws.
