### 6.3 PARKING FACILITIES

In addition to large amounts of free on-street parking, Warrenpoint has several car parks in the town centre and front shore which can accommodate over 220 cars. There is no allocated parking for vendors or music performers. Vendors have been advised to keep additional stocks close park/trading area. Musicians load in is via the closet exit to stage. NE corner/Gt Georges Street (South).

### 6.4 TRAFFIC MANAGEMENT PLAN

A copy of all TM drawings can be found in the appendices.

## 7. COMMUNICATIONS FACILITIES

### 7.1 RADIO COMMUNICATIONS

Radio communications for the event will be supplied by a competent provider and a radio plan will be circulated for the event. Two-way radios will be issued to the event team, production staff, traffic management and medical personnel. Stewards (Talon) will supply themselves with radios programmed to a separate frequency, one of which will be issued to the Event Controller.

### 7.2 PA SYSTEM

One PA system will be available throughout the event which can be used to make announcements in the event of an emergency. A designated member of the production team will be responsible for making announcements through the PA should this become necessary and a formal statement to be used in this instance will be agreed in advance.
